# 6th Grade School Supply List

Hello! We are excited about the upcoming school year! We have an amazing journey ahead of us, but we will need to be equipped for the experience with a few supplies. If you cannot provide these for your child, please contact me, and we will solve the problem together.

Your child will be expected to have these basic supplies available for use in class every day, please! (Time spent looking for misplaced or missing items costs us valuable instructional minutes, and is a distraction to learning, so please check with your child periodically during the year to assure the needed items are always available. Thank you!!)
