New Beginnings

How often we wish for another chance
to have a fresh beginning

A chance to blot out our mistakes
and change failure into winning.

It does not take a new year
to make a brand-new start.

It only takes the deep desire
to try with all your heart.

To live a little better
and to always be forgiving

To add a little sunshine
to the world in which we are living.

So, never give up in despair
and think that you are through,
For there's always a tomorrow
and a chance to start anew.
