Dear Parent/Guardian,

Ms. Deborah Mason
Director, Special Education Compliance
dmason@yonkerspublicschools.org

Due to the mandated school closures as a result of the COVID19 virus, the District will be conducting PT, OT and Speech, to the extent possible, remotely. The District's service providers will not be coming into your home directly, but will contact you to arrange for remote delivery of the required IEP services. Remote delivery of services can be in one or more of the forms indicated below, and will be discussed with you directly, to ensure that you receive the services in a form that is appropriate for your individual circumstances.

Remote delivery of related service can include the use of Zoom Meeting, Google Hangout, Skype, or telephone conferencing. Work materials will be available via the school website or can be sent to you by email. If you do not have access to technology, you will be provided with materials and information necessary to participate in the therapy sessions by US mail.

The District will begin remote services on/about April 1, 2020 as a means of addressing your child's IEP mandate. Thank you for working with us to accommodate these highly unusual circumstances. May you and your family remain healthy and safe.

Very truly yours,

Debbie Mason
