Come join the Westchester County Youth Bureau and Youth Poet Laureate Danielle Kohn for a virtual teen open mic night via WebEx. Share a poem, song, short story or excerpt from a longer work with an encouraging community of other young Westchester writers and performers! We could all use some creative writing to get us through a time like this.

ALL TOPICS WELCOME (JUST NO PROFANITY PLEASE!)

All participants and spectators must register using an email address to access the WebEx link.
