

## Pre-Kindergarten

### Day 10 Lesson Plans

#### English Language Arts

- Discuss the fact that spring is the time that the circus comes to town. Talk about some of the shows you would see at the circus. Some circuses have animals doing tricks, like seals bouncing balls.
- Have your child complete the worksheet trace and color the circus ball to reinforce writing letters that are circular like o, a, d, b.
- Point out to your child that the word ball starts with the letter B. Repeat the word ball and have your child identify the sound of B /b/.
- Read the book with your child, have them name the objects that begin with /b/. Have them trace the letter Bb.

#### Math

- Have a discussion with your child about basic shapes like the circle, square, triangle and rectangle. Point out that many things that surround us or that we use are crafted or built in

these shapes. Have students identify some things around your home that are circular, square etc.

- Print out the Shapes worksheet and have your child practice tracing some of the shapes and color in the shapes.
- Follow directions on the worksheet to complete worksheet.
- Print out the 100<sup>th</sup> Day Chart. In February, we celebrated the 100<sup>th</sup> day of school. Have your child look at the 100<sup>th</sup> day chart and identify patterns etc. Follow suggestions and instructions at the bottom of the sheet.
