

Pre-Kindergarten

Day 12 Lesson Plans

English Language Arts

- Discuss the fact that when we read or write, we start on the left and move to the right.
- Have your child identify his/her right hand, and left hand.
- Have your child complete the worksheet “ Flying Butterflies” which reinforces left to right directionality and drawing straight lines for handwriting practice.
- Follow directions on the worksheet to complete worksheet.

Math

- Discuss the meaning and math concept of “more and less”.
- Have the student complete the worksheet on More and Less Comparison.
- Follow directions on the worksheet to complete it.
