

Pre-Kindergarten

Day 19 Lesson Plans

English Language Arts

- Print and assemble the take home book
“Take a Trip with a Book” by following cutting directions on the book.
- Discuss how reading allows us to take a trip or travel. What do we mean by that? Do we get on train, plane or bus? No, we take a trip by visiting or learning through reading about places, or things without physically being there.
- Take a text walk with your child, having your him/her talk about what he/she sees on every page that shows how reading a book is like taking a trip. Where can we visit or what can we learn about through reading.
- Read the book with your child, have them participate on the repetitive parts.
- Have your child express their favorite part of the book.
- Have your child do a retelling of the book with your support (if necessary).

- Be sure to your child uses transition words such as First, Next, Then, after that, At the end to engage in the retelling of the story.

Math

- Print out the worksheet and have your child name the shapes on the worksheet.
- Have students trace the shapes and tell you a little about the shape. Circle is round, the square has four corners and four angles. Triangle has three corners and three angles.
- Follow directions on the worksheet to complete worksheet.
