## REGISTERED PROFESSIONAL NURSE

**Grade**

Grade Level IX

**Salary**

\$56,540 - \$74,942

10 month position

**Typical Work Activities: (Illustrative only)**

This is a professional nursing position involving responsibility for giving care to students and for performing related nursing services such as pupil health screening and notification of defects and communicable disease control requiring judgment and skills. The work includes performing professional nursing services at one or more schools in the maintenance of acceptable health standards, school health records and the emergency treatment of student and employee health problems. This position differs from the position of School Nurse-Teacher in that there is no responsibility for either classroom instruction or guidance involved. The work is performed under the general direction of a School Physician or Health Administrator. Supervision may be exercised over the work of clerical assistants. Does related work as required.

**Minimum Qualifications: EITHER**

- A) Graduation from a school of nursing approved by the State Education Department from a course approved by such department as qualifying for Registered Professional Nurse; **and**
- B) Possession of a valid New York State Registered Professional Nurse's License at time of appointment.

**Please note:**

**Preference in hiring will be given to candidates who have prior experience as a nurse in a school setting.**

Qualified personnel may apply by sending in a resume along with a written request for an interview for this position on or before **Monday, August 20, 2018** to:
