

August 2024

Dear Parents of Soon To Be Second Graders,
Welcome to Second Grade. We look forward to having your child in September. In order to prepare for the upcoming school year, we have included a list of supplies to have in school. Students should be reading every day. Reading over the summer is imperative to your child's development in the upcoming year. To get ahead in math, have your child **memorize** the basic math facts. Students will be receiving weekly math quizzes, so the summer is a great opportunity to get prepared. Enjoy the rest of your summer! We can't wait to see you and your child in the fall. Working together will result in a successful year.

Thank You,
2nd Grade Teachers
