

## WELCOME LETTER 2024-2025

Ms. Kemoh

Dear Parents,

Welcome to Ms. Kemoh's Class. I'm very excited to begin the school year with you and your child. I've spent a great deal of time over the summer preparing the classroom for his/her arrival. Your child will have an exciting year while learning many new things.

My goal is to create an effective learning environment for your child. To accomplish this, a strong partnership between students, parents, and teachers must be present. With this partnership I believe your child will achieve success throughout the year. If there is anything you would like me to know about your child that will help me teach him/her more effectively, i.e., special interests/talents, situations at home, favorite subject(s), feel free to send me a note.

Homework will be generally assigned Monday through Thursday. We will use ClassDojo to keep an open line of communication as we work together to help your child achieve academic success. I look forward to meeting and working with you to provide the most enjoyable meaningful learning experience for your child.

Sincerely,

Ms. Kemoh

(Special Education Teacher)
