

Dear Parent/Guardians,

August 2024

We would like to take this opportunity to welcome you and your child to the Pre-Kindergarten Program at School 16. The upcoming school year promises to bring many new experiences and challenges. You will be surprised with the transformation that your child will go through!

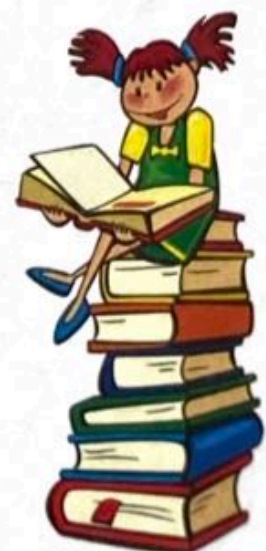

We have a lot of interesting and stimulating activities planned. Your child will grow intellectually, socially, emotionally and physically. It is our goal to help your child become a confident learner so there is a positive academic experience for all.

In partnership, co-operation and teamwork will be necessary so that together we can provide the support and encouragement that your child will need to excel.

If at any time you have any questions or concerns, please feel free to contact us at school (914) 376-8340.

Sincerely yours,

Ms. Schlusberg and Ms. Nolan
