ART LESSONS FOR HOME

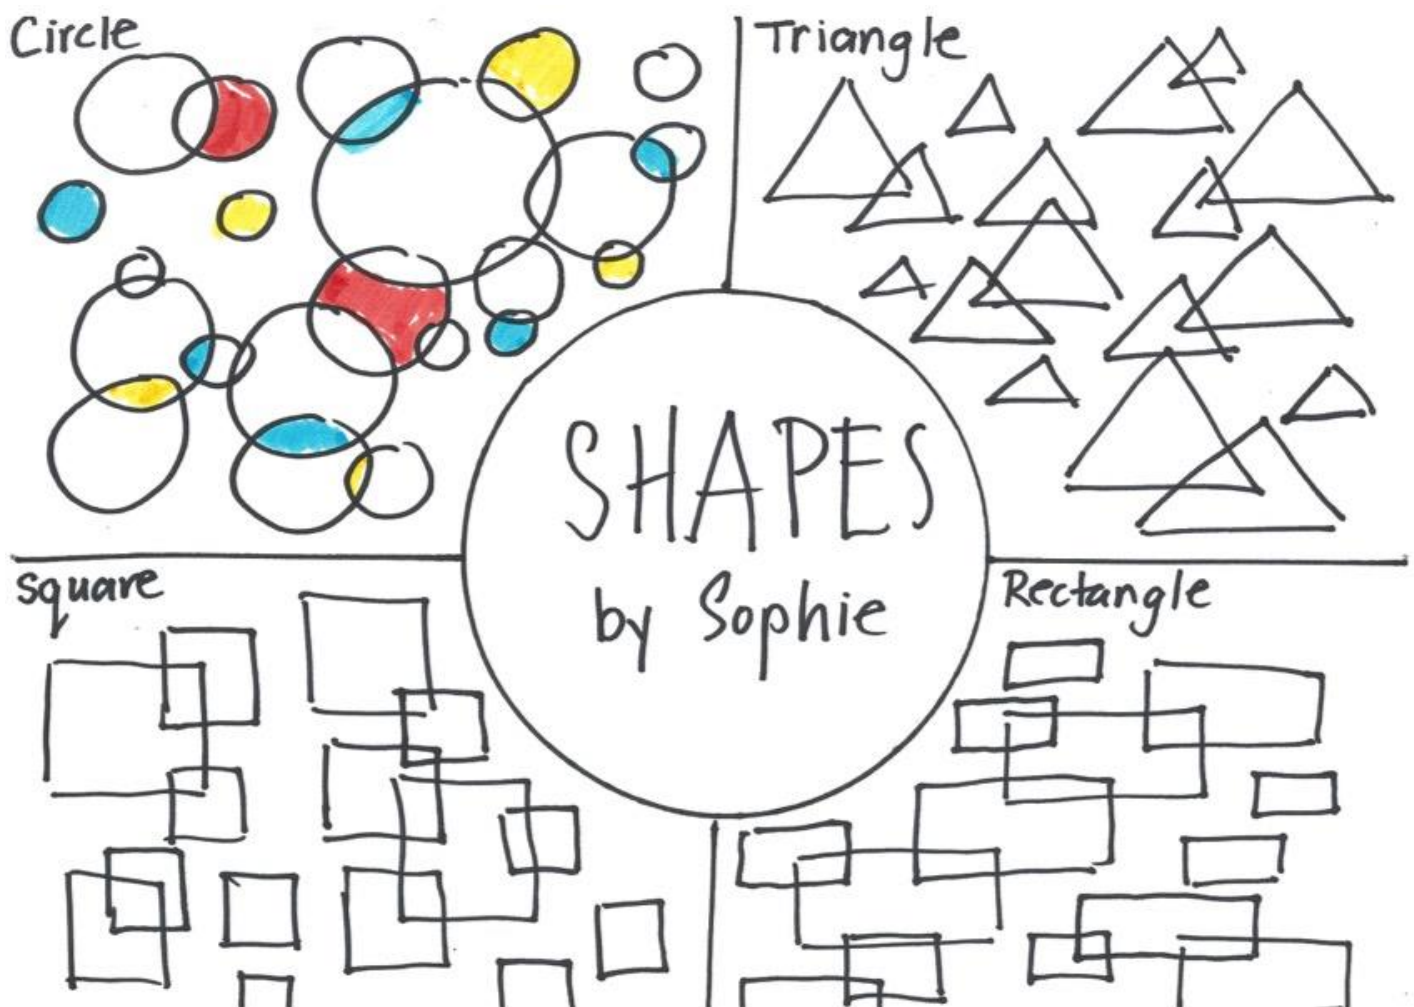

PK & K SHAPES

1—Create a circle in the middle of your paper by tracing a lid or can that you have in your house. Fill in the circle for the title SHAPES by (Childs name).

2—Create 4 sections by drawing a horizontal line across the middle and another vertically.

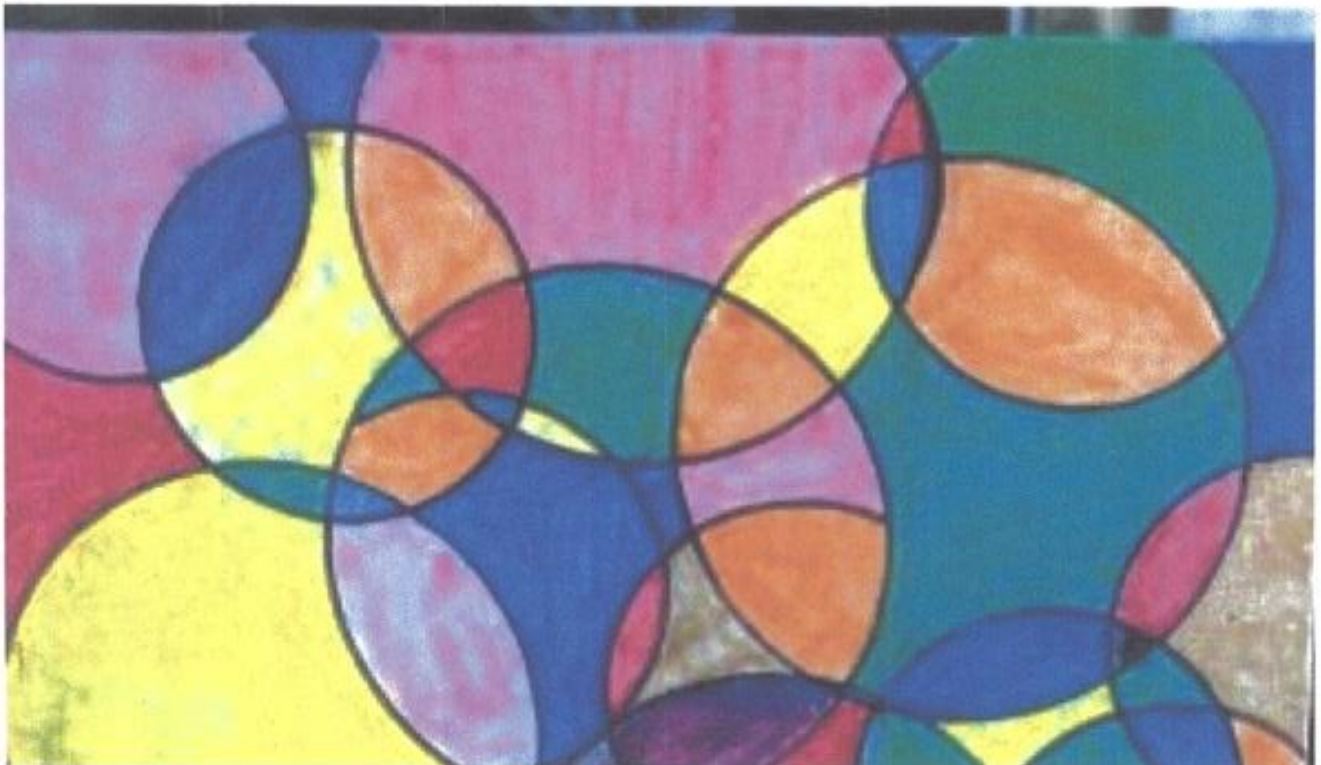

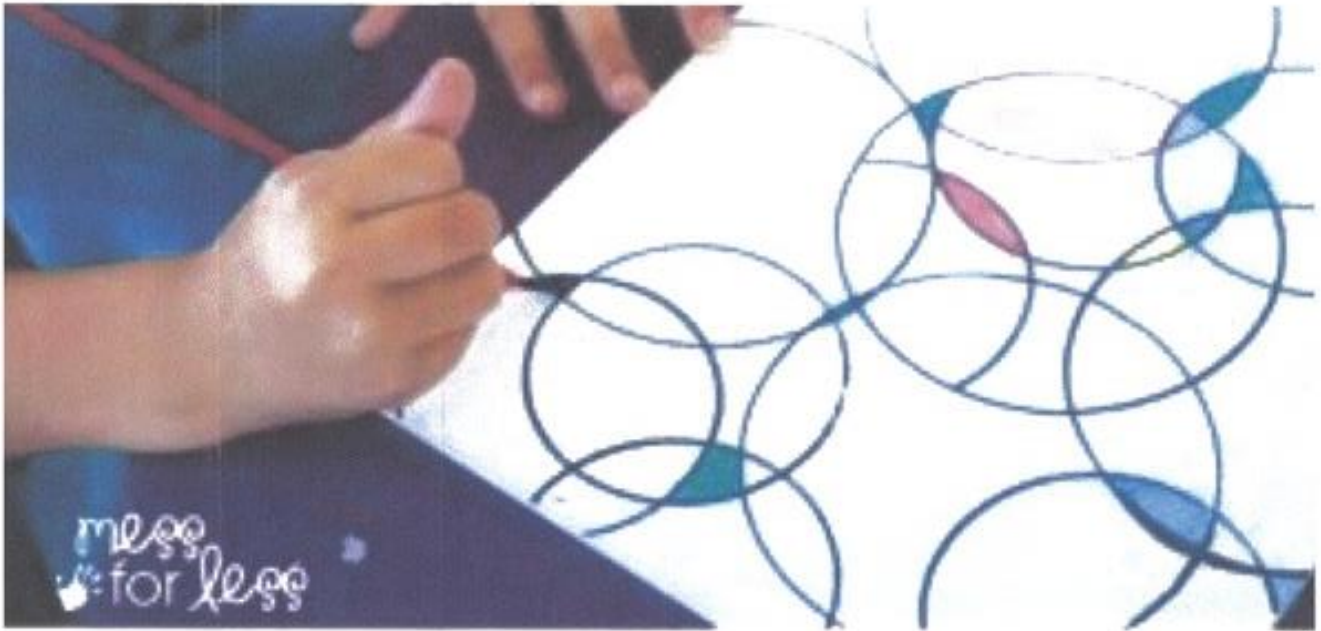

3—Fill each box with a different shape. The shapes should be different sizes and overlap.

4—Color in the shapes. (See Sample below)

1st & 2nd CIRCLE ART

- 1—Find items in your home that are shaped like a circle you can trace.
- 2—Fill your paper with circles, small circles, large circles, etc. Overlap the circles too!
- 3—Color inside the shapes your overlapping circles created. You can use markers, crayons or paint.

3rd & 4th GEOMETRIC & ORGANIC SHAPE ART

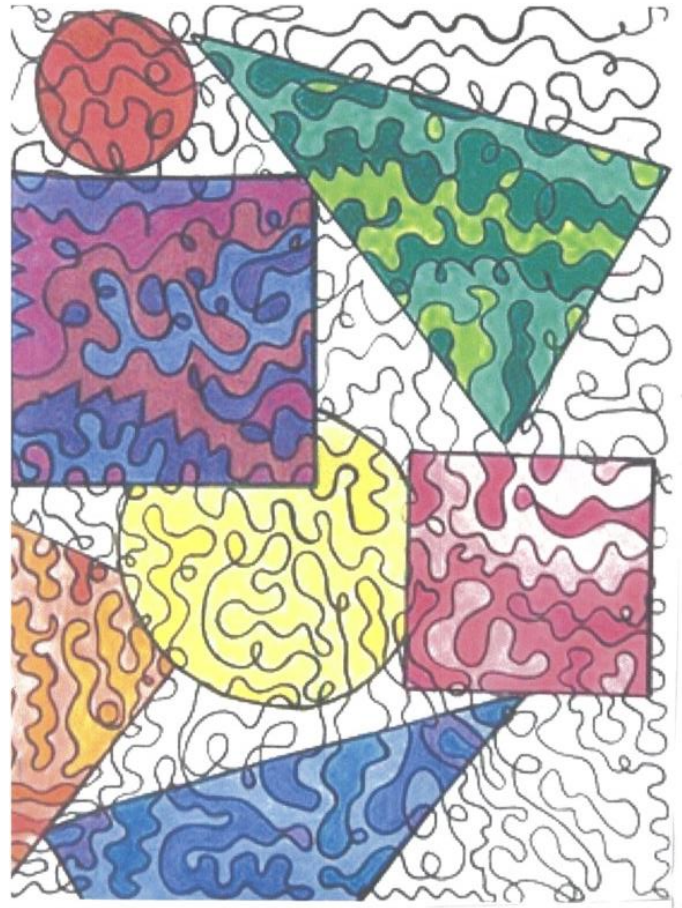

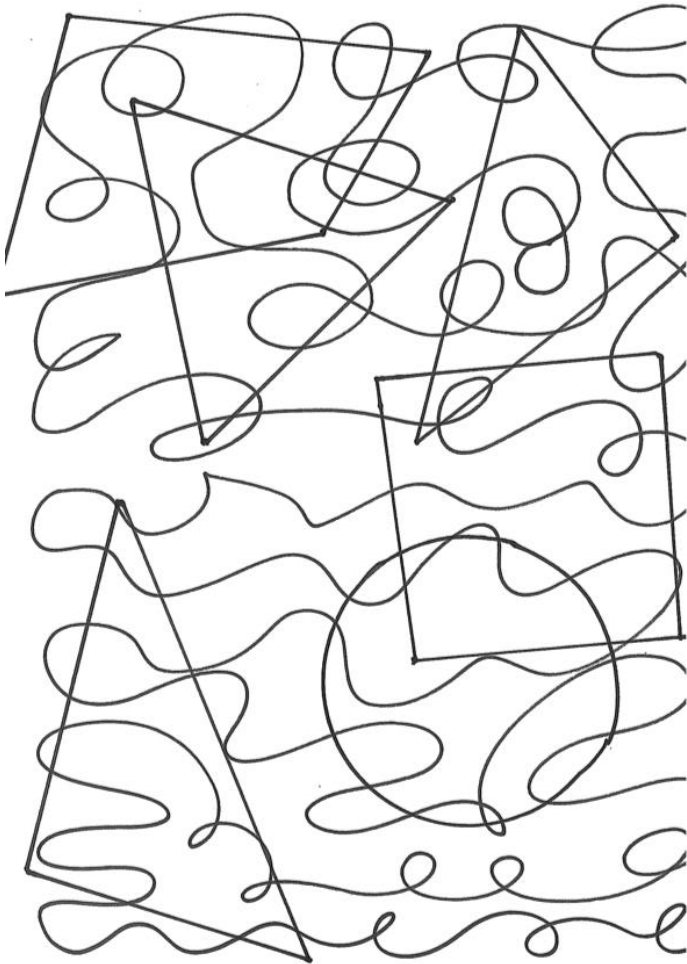

1—Create a variety of geometric shapes on your paper.

Examples of geometric shapes are: circle, square, triangle, square.

See the sample below.

2—Fill the entire page with a continuous loopy and curvy line.

3—Fill the spaces inside the shapes with color like the sample below.

5th & 6th GRADE LANDSCAPES

Follow the step-by-step sheet provided below.

See the samples.

You have creative freedom to do what you like.

1. Write name on back of paper

* START FROM BOTTOM

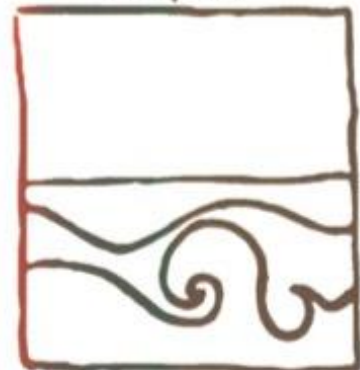

* LEAVE ENOUGH ROOM FOR SKY

2. draw 1 ground line (straight, wavy, zig-zag, etc)

3. draw another ground line above

4. draw a third ground line above 2nd

5. draw one more line - this is the HORIZON

6. add a sun or moon - night!

7. add zentangle patterns

8. add zentangle to the sky

9. ADD COLOR!
