## **FAMILY ACTIVITY: Found Object Scavenger Hunt for Families**

Send me pictures of your activity and I will post it in the PHOTO section of my Teacher page. <a href="mailto:icohn@yonkerspublicschools.org">icohn@yonkerspublicschools.org</a>.

**Look at the color wheel below.** Create your own color wheel using objects from your home. Get everyone in your family to work on this treasure hunt and have fun! You can create one together or make it a game and see who can create one the quickest! See the samples below.
