

Castle Learning will be our frequently used platform in all subjects. Accessed through Clever, follow these procedures for mobilized success.

Procedure Checklist

- I make certain I am spending ample time on each question.
- I use separate scrap paper to work math problems before answering.
- I copy and review the “Reason” feedback notes for any wrong answers.
- I use the “speak” feature when necessary.
- I check for assignments I missed due to absences.
- I use the Self Study feature of Castle Learning to practice concepts with which I struggle.
- If English is not my primary language, I toggle this feature.
