*Dear Fourth Grade Family: Your child's Overall Diagnostic Growth Report was attached. Please review with and support your child **each night for homework** as they complete at least twenty (20) minutes of their I-Ready **MY PATH** personalized learning prescription to fill in gaps and accelerate to the next level of achievement. They will also work on this in school. Students should keep this log in their **HOMEWORK/NOTICE** folder and bring it to school each day. Additional logs are available in class and online at our class homepage to print out. Let's **GROW TOGETHER!***
