# ROOSEVELT HIGH SCHOOL SUMMER READING ASSIGNMENT

*"If you don't like to read, you haven't found the right book."*

– J.K. Rowling

The Roosevelt High School- Early College Studies English Department encourages students to become lifelong readers and learners by asking them to read during non-instructional time. Summer reading provides students an opportunity to enhance their reading and writing skills and enjoy the books they've selected. Summer reading should be both pleasurable and thought-provoking.
