Testing Sites:

New York State (NYS) continues to increase testing capacity for COVID-19 on a daily basis. The guidance below enables NYS to prioritize resources to meet the public health need. Individuals who have questions regarding eligibility or access for testing should call the NYS COVID-19 Hotline at 1-888-364-3065 or visit the NYSDOH website <https://covid19screening.health.ny.gov>.

If you go to a test site run by NYS, there is never any charge for your test. However, other sites may charge a fee you should check with the site and your insurer.

Please call the testing site or your health care provider before you go for testing.
