Teachers/Staff/Students:

We have an exciting opportunity to share from YPS and the Yonkers Public Library (attached document) regarding a Virtual Author Visit with Julia Alvarez on your daily Announcement Page. It will take place on 6.10.20 at NOON. Students and teachers will use this link to login:

**Go to: www.YPL.org/Alvarez
and click on the media player**

Students and teachers can send questions for Ms. Alvarez to:
gbell@yonkerspublicschools.org

Teachers can login to My Learning Plan and sign-up to attend the event, which will give them 1 hour for Professional Development.

Our Librarian, Mrs. Westphal, has asked if teachers can fill out the YPS Library Participation Survey found in the link below. Your feedback is greatly appreciated and it will help improve services. In addition, she would like student feedback, so if teachers can share this link with their students, she appreciates your help with this endeavor.
