**Teachers/Staff/Students:**

We have an exciting opportunity to share from YPS and the Yonkers Public Library (attached document) regarding a Virtual Author Visit with Julia Alvarez on your daily Announcement Page. It will take place on today at NOON. Students and teachers will use this link to login:

**Go to: [www.YPL.org/Alvarez](http://www.YPL.org/Alvarez)  
and click on the media player**

Students and teachers can send questions for Ms. Alvarez to:  
[gbell@yonkerspublicschools.org](mailto:gbell@yonkerspublicschools.org)

Teachers can login to My Learning Plan and sign-up to attend the event, which will give them 1 hour for Professional Development.

Our LightBox Classroom Pilot (121 eBooks and activities for K-5<sup>th</sup> Grade), has been extended until September 1, 2020. Please encourage your students/families to continue to use this resource during the summer. You will find this resource under More Apps on Clever. Any questions send me an email to our librarian, Carol Westphal

Mrs. Westphal has asked if teachers can fill out the YPS Library Participation Survey found in the link below. Your feedback is greatly appreciated and it will help improve services. In addition, she would like student feedback, so if teachers can share this link with their students, she appreciates your help with this endeavor.
