- A moment for music in our school's:

The world is in great need of more music education. When students play music, it allows a part of their artistic mind to express itself, which is very important in helping to balance a child intellectually, spiritually, and emotionally.
- **Gianna Migliucce** from Mr. Strategias' class with our Women's History month moment:

Clarissa Harlowe Barton, known as Clara Barton, is one of the most honored women in American history. Clara Barton risked her life to bring supplies and support to soldiers in the field during the civil war. Clara Barton founded the red cross during a trip to Switzerland in 1969. Another thing Clara founded was the National First Aid Association of America. We honor her courage and dedication and acknowledge her impact on women's history in America.

*Our word of the day is **teach**
and our Montessori Mindfulness Moment of Reflection is inspired by
Clarissa Harlowe Barton*

“I may sometimes be willing to teach for nothing, but if paid at all, I shall never do a man's work for less than a man's pay.”
