Music education requires teamwork and collaboration. While playing instruments together, students develop listening skills. They must listen to others to better gauge volume levels, the implementation of dynamics, and so much more. Students quickly learn to value the opinions and ideas of others and how to efficiently combine those thoughts to complete the task at hand.
- **Priyanka A. Jaipaul and Camila Gonzalez** from Ms. Mazahreh’s class with our Women’s History month moment:

Indira Gandhi was an Indian politician who was the first female prime minister of India, serving for three consecutive terms and a fourth 1980 until she was assassinated in 1984. Indira Gandhi was associated with many organizations and institutions, like Kamala Nehru Memorial Hospital, Gandhi Smarak Nidhi, and Kasturba Gandhi Memorial Trust.

*Our word of the day is **forgiveness**
and our Montessori Mindfulness Moment of Reflection is inspired by
Indira Gandhi*

” Forgiveness is virtue of the brave.”
