Mother Teresa was born on August 27, 1910, in Skopje, Macedonia. In 1946 Mother Teresa decided to spend her life helping the sick and poor. In 1948, she founded the missionaries of charity, a religious order for a woman dedicated to serve the poor. After her death, the missionaries of charity carried on in more than 90 countries. Pope Francis the first declared Mother Teresa a saint on September 4, 2016. Mother Teresa's missionary expanded globally and became a beacon of hope for the poor and sick.
