- A moment for music in our school's:

“We tend to think that the realm of music is the privileged area of some happy few. Experience has taught us, however, that if offered the right kind of education from a very early age onwards, anyone is capable of entering the realm of music. Not everyone has the talent to practice music at an artistic level, or create new work, but everyone can reach a stage where they can enjoy it.”

- **Sara Warner** from Ms. Robertson's class with our Women's History month moment:

Fashion designer **Coco Chanel** is famous for her timeless designs, trademark suits and little black dresses. In the 1920s, she launched her first perfume. She revolutionized fashion by introducing more comfortable, practical designs that were still chic and sophisticated. She turned her innovative ideas and skill into a successful business and transformed herself into an iconic brand we all know today. She influenced fashion forever.

*Our word of the day is **different**  
and our Montessori Mindfulness Moment of Reflection is inspired by  
Coco Chanel*

*“In order to be irreplaceable, one must always be different”*
