Greetings Families of Students Grades 7-12:

It is our hope that everyone has enjoyed a healthy and restful summer vacation. We are diligently preparing for the 2023 – 2024 academic year. As we continuously improve our programs and practice, our goal and vision remain to provide a sound Montessori education for ALL students. We are excited to welcome students and families that are new to our learning community and extend a welcome back to all returning students.

Please take the time to make sure your contact information is up to date with the school's registrar. Check our school website often, as we add information and resources regularly.

The first day of school for all students is: **Thursday, September 7, 2023**. Our school day is **7:35a.m. - 2:15p.m.** Student schedules will be available using the PowerSchool Parent Portal.

To alleviate some of the stress of the first day of school for our students new to middle and high school, we will have:
