# PRINCIPAL'S MESSAGE

To the Graduating Class of 2021,

It is with an immense sense of pride that I write to congratulate you and wish you success as you begin a new journey in a world of endless opportunities. I know that your senior year was not what you pictured when you joined the Lincoln Family in September 2017. However, all the hard work you did freshman, sophomore, and junior year prepared you for your senior year, no matter what it looked like.

Instead of focusing on all the challenges that each of you faced during the past fourteen months or speaking about all the time lost in the classroom, I want you all to focus on all the positives. You:

- learned how to manage your time between classes, jobs, and taking care of family members.
- built meaningful relationships with your teachers.
- became a master on Microsoft Teams.
- learned how to communicate properly via e-mails and chat with teachers.
- learned the value of community.

Truth be told, you all learned so much and had to grow up too fast this year. However, my heart breaks for all the staff members. One of the greatest parts of working in a high school is watching all of our students turn into young adults, some sooner than others. This pandemic took that joy from all of us. However, we could not be prouder of the class of 2021.

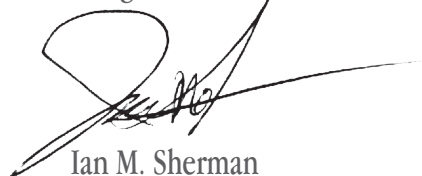

The word journey is defined in two ways: an act of traveling from one place to another, and a long and often difficult process of personal change and development.

So, as I send you off on your new journey, I invite you to identify the things that you value, evaluate what you know and still need to learn, and prepare an action plan that will ensure all your dreams come true.

Walt Disney said, "All our dreams can come true if we have the courage to pursue them."

Remember, no matter where your journey may take you, once a Lancer always a Lancer. I hope that our school motto We Care... We Learn... We Lead... continues to guide and shape your lives.

Congratulations!!

Ian M. Sherman  
Principal
