PRINCIPAL’S MESSAGE

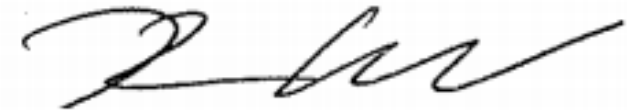

Dear Class of 2021,

I am honored and proud of all your hard work and dedication towards this life accomplishment. This administrative team is delighted for you, not only for this great milestone, but for all your unbreakable determination over the past four years.

During your junior and senior years, you were faced with a global pandemic, an economic depression, global warming, civil unrest, and our new reality - hybrid and remote schooling. With all of these challenges that you have endured, this senior class, has found the drive and the internal fortitude to complete your studies and move on to the next academic chapter in your life. Our faculty will miss your glowing personalities that have been witnessed throughout your four years at Palisade Preparatory School.

Please remember your dedication will allow you to achieve many more goals in life. Your superb ability to get things done and to overcome adversity has laid a solid foundation for your future. I know you will all do well in your future endeavors. I humbly ask you to keep this in mind: *“Believing in yourselves will allow you to make your dream come true and make a difference in the world.”* I wish each one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family and friends.

May you thrive in your future ventures.
