PRINCIPAL'S MESSAGE

Dear Class of 2021,

This year is like no other year, just as this class is like no other. How can a simple letter encapsulate the past four years, when the last 15 months have been dramatically impacted due to a global pandemic.

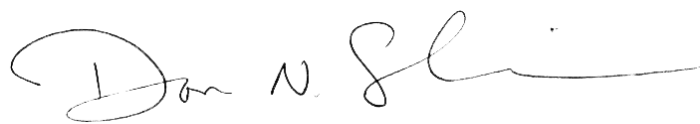

Thinking back upon your four years at Riverside, I am amazed at your resilience. You've experienced much in those four years and not just the changes at Riverside (school counselor, courses, programs, and assistant principal) but the entire world around you. The world in 2017 was much smaller, and simpler, than it is today. The students graduating today must be able to navigate dynamic social issues that involve every aspect imaginable.

As the clocks continue the march toward your graduation ceremony, use this time to reflect on how you will enter the world and make a change for the better. In the words of President Roosevelt, "Do what you can, with what you have, where you are." As a Riverside Ram, you have the tools, knowledge, and drive to impact great changes in your world.

It is truly an honor to be here with you and to share in your accomplishments and achievements. To all of you, we have not forgotten you, we have missed you. I am very proud of all that you have accomplished at Riverside High School. As President Obama stated, "Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek."

And finally, keep in mind these thoughts on what may seem impossible: *Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Congratulations to you, the graduates of Riverside High School Class of 2021!!

Dr. Don N. Solimene
Principal
