PRINCIPAL'S MESSAGE

Dear Class of 2021,

This school year has been another challenge in your lives. Instead of completing high school in person with your friends, enjoying all that senior year brings, you were thrown into a new normal that challenged every part of your life. While it is disheartening that you did not end the year with the traditional senior experience we would expect, I still believe there will be a time for you all to celebrate your accomplishments.

You have persevered, you developed grit and determination that will allow you to navigate life in college or career. Your hard work, dedication, and focus have allowed you to reach this milestone, which is one of many that you will achieve. I am so proud of each and every one of you and I look forward to hearing about your future accomplishments in college and beyond. Again, congratulations and good luck as you embark on the next chapter of your lives.

Edward EdChent
