ALL MULTIPLICATION FACTS MUST BE MEMORIZED BY THE FIRST DAY OF SCHOOL.

-Parents/Guardians please check every day that your child has sharpened pencils, erasers, and the necessary books for school.

-Each day the class will have **snack** time, due to specific allergies that students may have we are asking that parents provide their child with a snack and drink daily because we will not be supplying it.

-The **yellow** pocket folder will be your child's communication folder. The folder will be sent home daily so please review the contents of the folder, keeping any graded homework packets, completed papers or notes and return the folder to school the following day.

-Phone numbers must be kept up to date in case of an emergency. We **MUST** be able to reach you when needed, therefore, please fill out the 3 emergency cards provided and return them as soon as possible.

-We hope to see your child every day, but in case of an absence for any reason, please send in a note to school the day your child returns stating why the child was absent. Also, if your child needs to go home in a different manner than usual (ex: S/he will be picked up instead of riding the bus or getting picked up early) you **MUST** send in a note.

-This year we will only be using class **DOJO** and **Schoology** as a means of communication. You may also send a note in with your child if need be.
