POWERSCHOOL PARENT PORTAL

What is the Yonkers Public Schools PowerSchool Parent Portal?

The PowerSchool Parent Portal is place where you will be able to view your child's grades, current and archived report cards, attendance, bus information, standardized test results and forms.

Parents/Guardians and students will have their own accounts. Users can also use the PowerSchool Mobile App.

It is important to include a current email address when registering your child for the Yonkers Public School District.

Once your child is assigned to a school within the Yonkers Public Schools District, a PowerSchool Parent Portal Account will be created by the Parent Portal Support Team. If you have more than one child attending, they will be linked to the same account. A letter will then be emailed to you with your login information and instructions on how to access your PowerSchool Parent Portal account.

If you have any questions, you can contact PowerSchool Parent Portal Support as follows:
