

Meet the teacher

All about me:

I went to Providence College and received my Master's Degree from St. John's University in Queens, NY.

I grew up and currently live in Yonkers!

This is my second year teaching at School 5 and my sixth year teaching.

I love what I do! When I am not teaching, I like to watch movies, bake and cook, exercise, and play with my puppy, Dune!

Welcome to
Mrs. Driscoll's
class!

My favorites:

Coffee

The beach

Dogs – especially
my new puppy!
