**Instructions:** Write the events of the story in the correct order, beginning at the top with the first box and ending at the bottom with the last box.

The form consists of six rectangular boxes with rounded corners, arranged in two columns. The left column has three boxes, and the right column has three boxes. A path of arrows connects the boxes in a zig-zag pattern: starting from a black arrow labeled 'Beginning' pointing to the top-right corner of the first box in the left column, then to the top-left corner of the first box in the right column, then to the bottom-right corner of the second box in the left column, then to the top-left corner of the second box in the right column, then to the bottom-right corner of the third box in the left column, and finally to a black arrow labeled 'Ending' pointing to the bottom-left corner of the third box in the left column. Each box contains four horizontal lines for writing.
