

Holiday Art Supplies Drive

For Yonkers Public Schools Students

Research shows the importance that the Arts plays on the social-emotional well-being of children. Our schools have limited art supplies available and these are primarily used for in-school Hybrid Instruction. Many families cannot acquire some of the basic materials students need to participate in remote art class at home.

Would you would like to help by donating art supplies? If your answer is YES, please visit The Yonkers Public School Arts Donation Wishlist on the Blick Arts website. You may donate some items directly from that list or purchase a gift card for needed art supplies. Art supplies may also be dropped off at the Yonkers Board of Education, One Larkin Center.

The donated art supplies will be distributed at the Yonkers Public Libraries and at the Grab-n-Go sites at each of the District's 39 schools.

If you have any questions, please contact the YCPTA at: YCPTA@ycpta.com or the Yonkers Public School Arts Department at: YPSArts@yonkerspublicschools.org

All items are available on the Blick Arts Website: **YPS Arts Donations Drive**
