ORGANIZATION AND DESIGN

The Budget is the financial plan for expending money in relation to resources over a specific period of time. It is an important school policy document in that it establishes the programs and services that the citizens of Yonkers will receive for their school tax dollars during the course of the year.

The Budget for the Board of Education is prepared on an organizational agency basis to provide answers to these questions

- 1) Where is the money being spent?**
- 2) Why is the money being spent?**
- 3) Who are the personnel?**
- 4) What is being purchased?**

In the Consolidated Budget document there is a separate agency for each central office department, one summary agency for all schools and several districtwide agencies. Each of these agencies has been further divided to provide information on staffing levels and expenses for the agency. A separate section providing additional information on the General Fund, Special Aid Fund, Debt Service Fund, School Lunch Fund, and the Capital Improvement Program is also included.
