### Thanksgiving Feast by O. Madmoni

This year the ENL Department hosted its third annual Thanksgiving Feast. We had fifty students participate from the ENL department and twenty five students from the newly implemented Yonkers International Academy.

Students participated in Thanksgiving themed activities, as well as ice breaker activities for the students to introduce themselves and get to know each other. Students and teachers brought in dishes from their cultures to share with other students. This year we also invited the Multicultural Club and My Brother's Keeper to join us.

Thank you to all the Roosevelt Staff for their kind donations and a special thanks to Dr.D'Ugo and Ms.Rosero for cooking the turkeys. This event could not have happened without your help and support!

I.D'Ugo, E. DeChent, J. Rosero, O. Madmoni

### Girls Empowerment Chat Session by V. Bazemore

On Tuesday, October 13, 2016 at the Yonkers Riverfront Library, a forum was held for girls. Ms. Castro took three eleventh grade Roosevelt students --Le'on Samona Williams, Dejanelle Smith, and Aaliyah Mc Millian -- with her to the event hosted by Sister to Sister International, Inc. Our girls participated by sharing in discussions held by Kalisha Dessources, Policy Advisor for the White House Council on Women and Girls, "Women & Girls of Color Initiatives" . Also on hand was Marta L. Tellado, Ph.D., President and CEO - Consumer Reports .

### Hard Work Pays Off! By. I. Bardy

Joan Garcia, one of Ms. Bardy's former students, visited Roosevelt High School -Early College Studies for the culmination of College Awareness Week. He spoke with ESL students about his road to an Ivy League School, What is remarkable is that Joan arrived from the Dominican Republic in September of 2010 not knowing any English. For the past six years, Joan worked hard on doing his best work and was accepted to Cornell University twice. He will be an engineering student in the spring of 2017. Hard work pays off.

# International Education Week 2016 by Dr. D'Ugo

On November 18, 2016, Mr. Anthony Mayer returned to Roosevelt High School with three foreign exchange students to facilitate an event in commemoration of International Education Week.

Mr. Mayer is a volunteer for the AFS-USA (formerly the American Field Service). This organization is a leader in intercultural learning and offers international exchange programs in more than 40 countries around the world through independent, nonprofit AFS Organizations. He was accompanied by three students: Hala Enin from Egypt, Kay Fakhoury from Lebanon, and Josephy Paoli from France.

These AFS exchange students received US Department of State scholarships. Each student presented cultural information on his/her country of origin. The presentations were followed by a Q & A session. offers an array of scholarships for US based students to study abroad on programs ranging from a summer, semester or academic vear. The Faces of America (FoA) Scholarship program is AFS-USA's signature diversity scholarship, designed to partner with community based organizations (CBOs) and high schools that serve diverse students from low income families to study abroad. There is an excellent opportunity for students to build their language acquisition, leadership skills, and intercultural learning by participating in one of 20 program options.
