- * As an incoming fourth grade student, you MUST be proficient in your multiplication tables 0-12. Parents, it is important that your child has mastered their multiplication tables, as these are crucial to the foundations of fourth-grade mathematics. Using multiplication flashcards is a great way to review these facts. You can make them using index cards, purchase them at any dollar store/ Walmart/Target or get them online at www.timestables.com (free).

Wish List: Stickers, animal crackers, highlighters, pencil sharpeners prizes for the treasure box

Please put your child's name on all items with a Sharpie or printed label!

Thank you for your support!!! Sincerely, The Fourth Grade Team
