# 6th Grade Mathematics, Science &

## Film History

## 6th Grade Welcome Letter

Welcome! 6th grade is an important year as it is the culmination of skills and knowledge gained in elementary school. I have high expectations for academic achievement, as well as behavior.

Students should have all supplies labeled and ready to use on the very first day of school. Our program will start right away and supplies are necessary to your child's success.

It is the responsibility of each student to complete ALL assignments and make up any work missed due to absences. Missed assignments will negatively affect report card grades.

Please reach out via email with any concerns throughout the year. Your involvement and support is crucial to your child's success.

I can't wait to see your children in September!

~Ms. DeLuca
