DIY Pencil Pouch

Follow these steps to create your own pencil pouch.
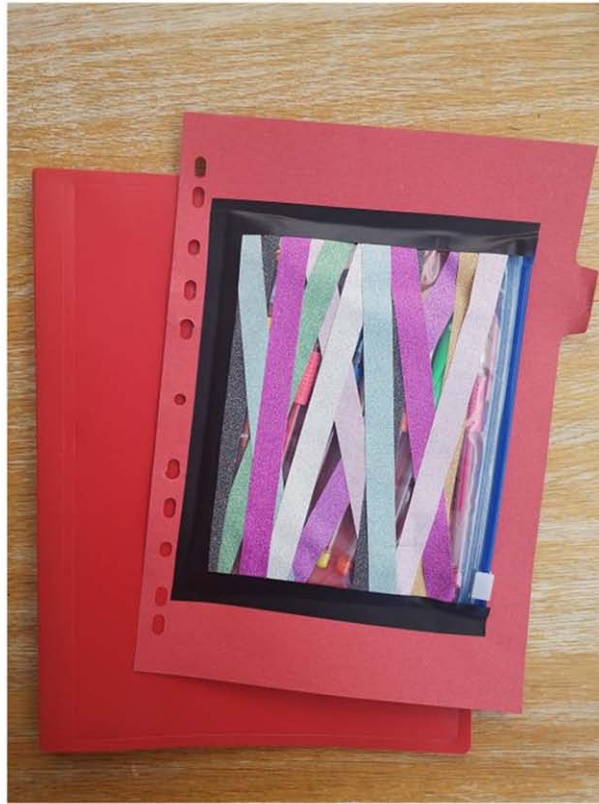

Materials

|	
1. quart sized plastic bags	5. pens / pencils
2. duct tape (multicoloured)	6. small electrical tape
3. scissors	7. folder divider
4. ruler or craft mat	

Boardmaker.

Directions

1. Measure a few pieces of colourful duct tape.
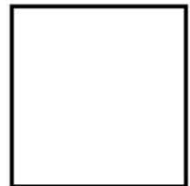

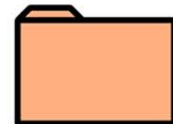

2. Cover the bag with strips of overlapping tape.

3. Cut any loose ends of tape off the sides of the bag.

5. Use the electrical tape to stick the bag to the divider.

6. Unzip the bag and fill with pencils and pens.

7. Zip up your new pencil pouch.

8. Put the pencil pouch divider into the ring binder.
