Handwriting Numbers 6-10

 				
 				
 				
 				
 				

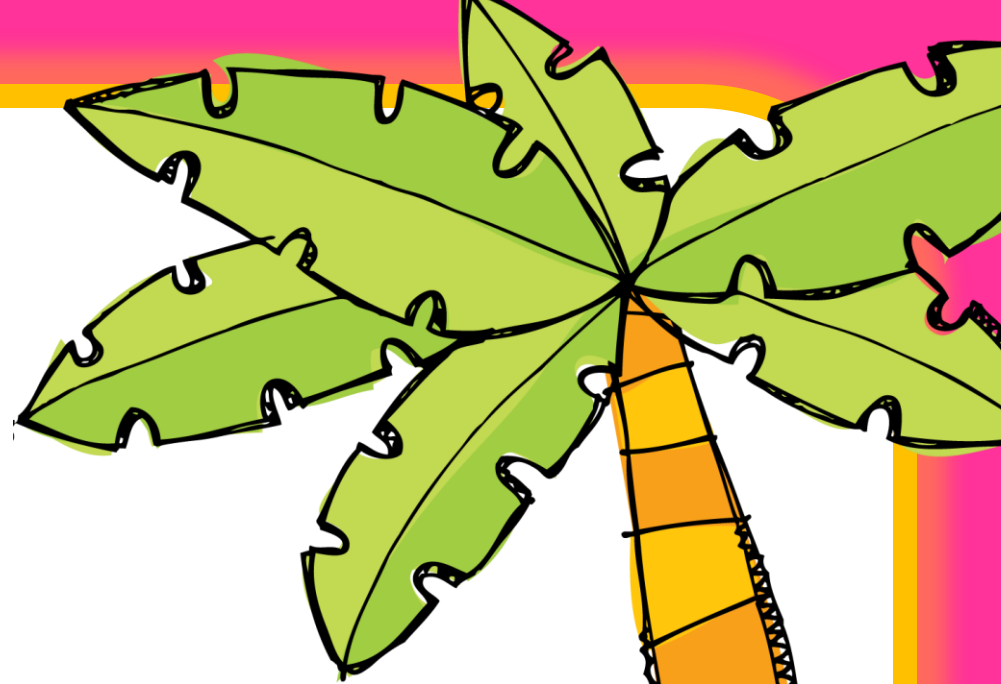

Name: _____

Name: _____

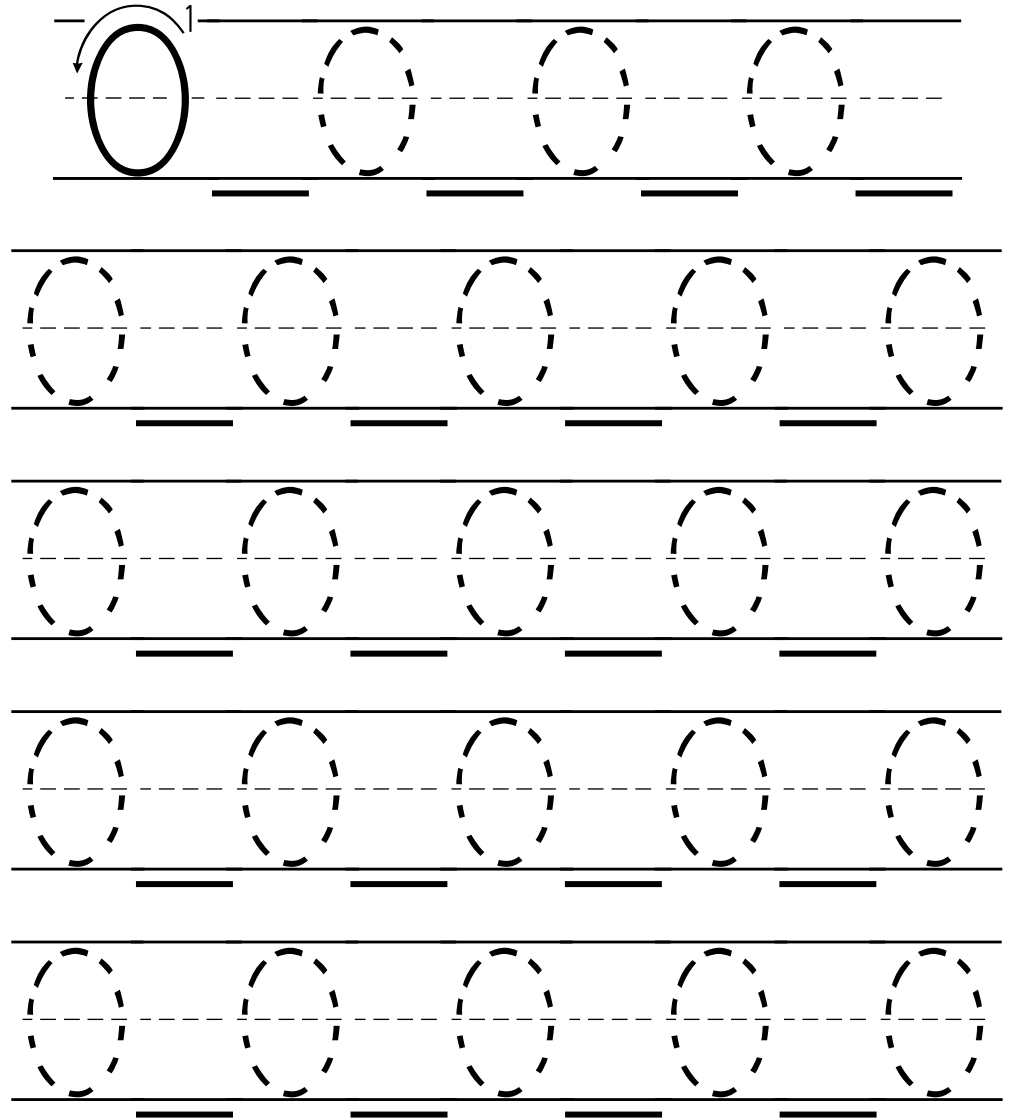

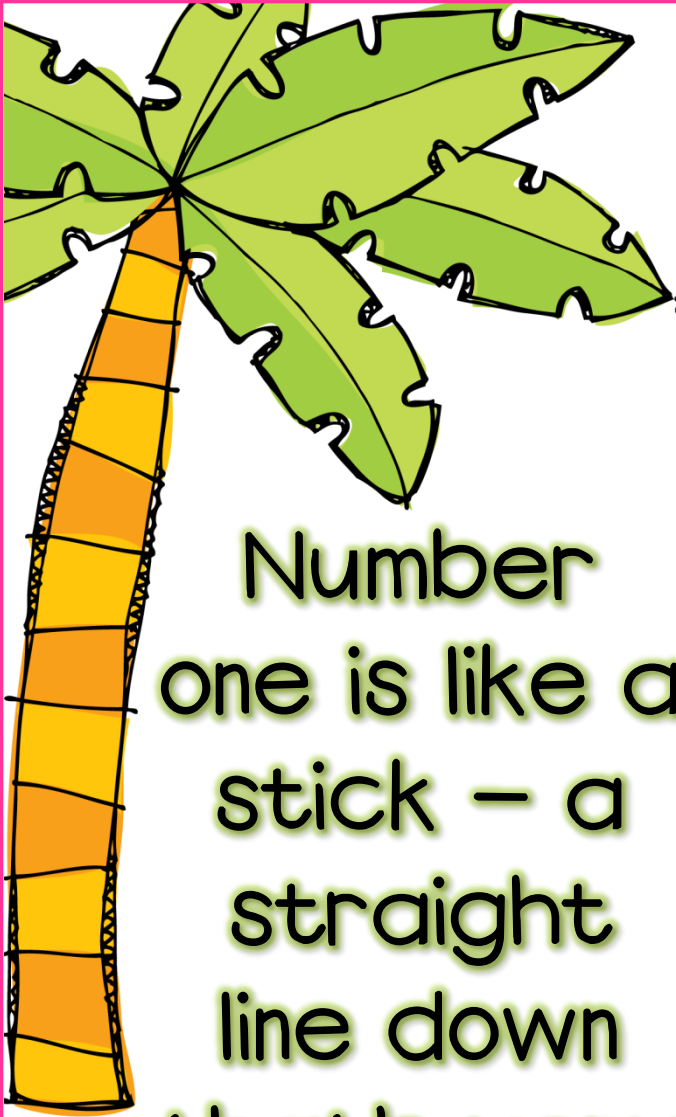

Print the following pages on cardstock, laminate and your students can trace and wipe.

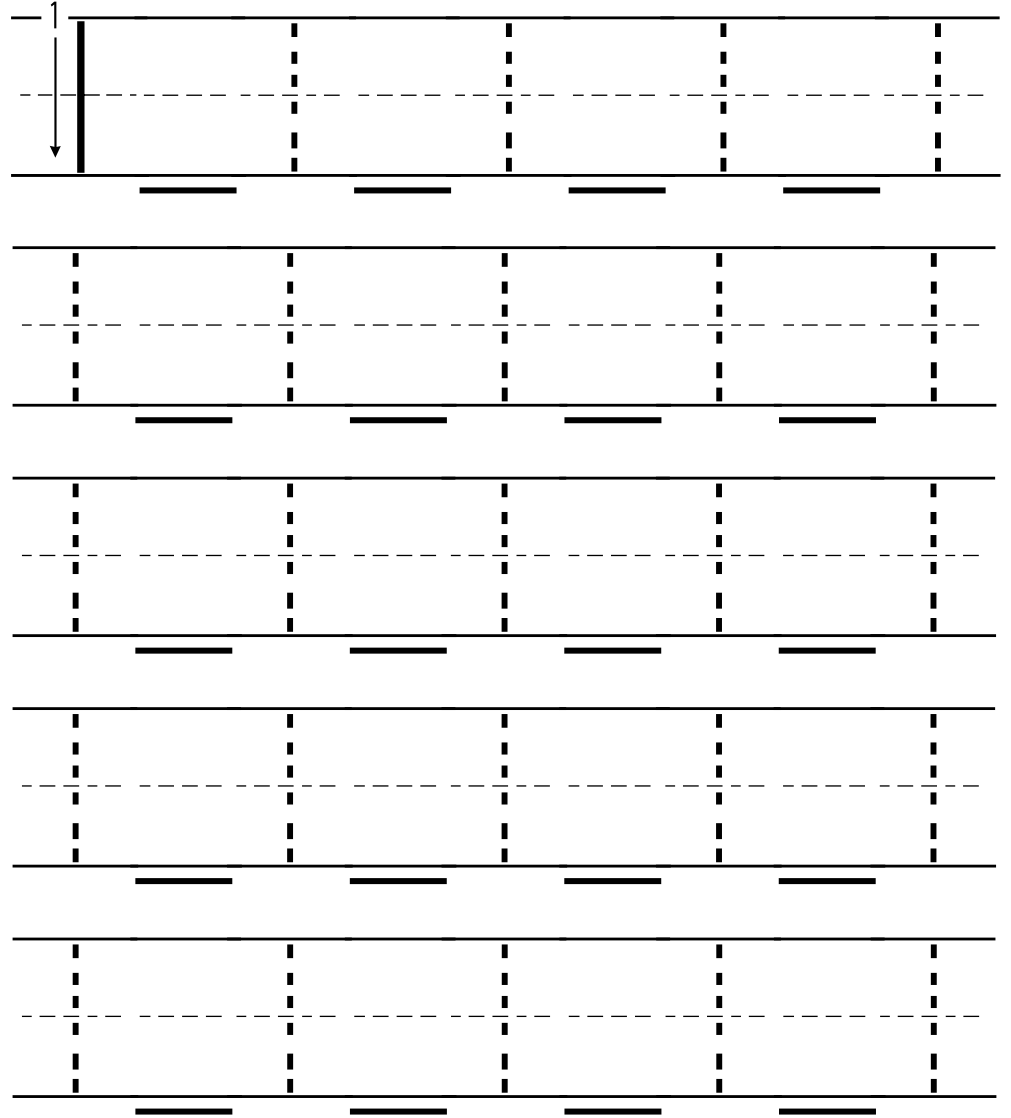

Make a
circle like
an O. Now
you have
a zero.

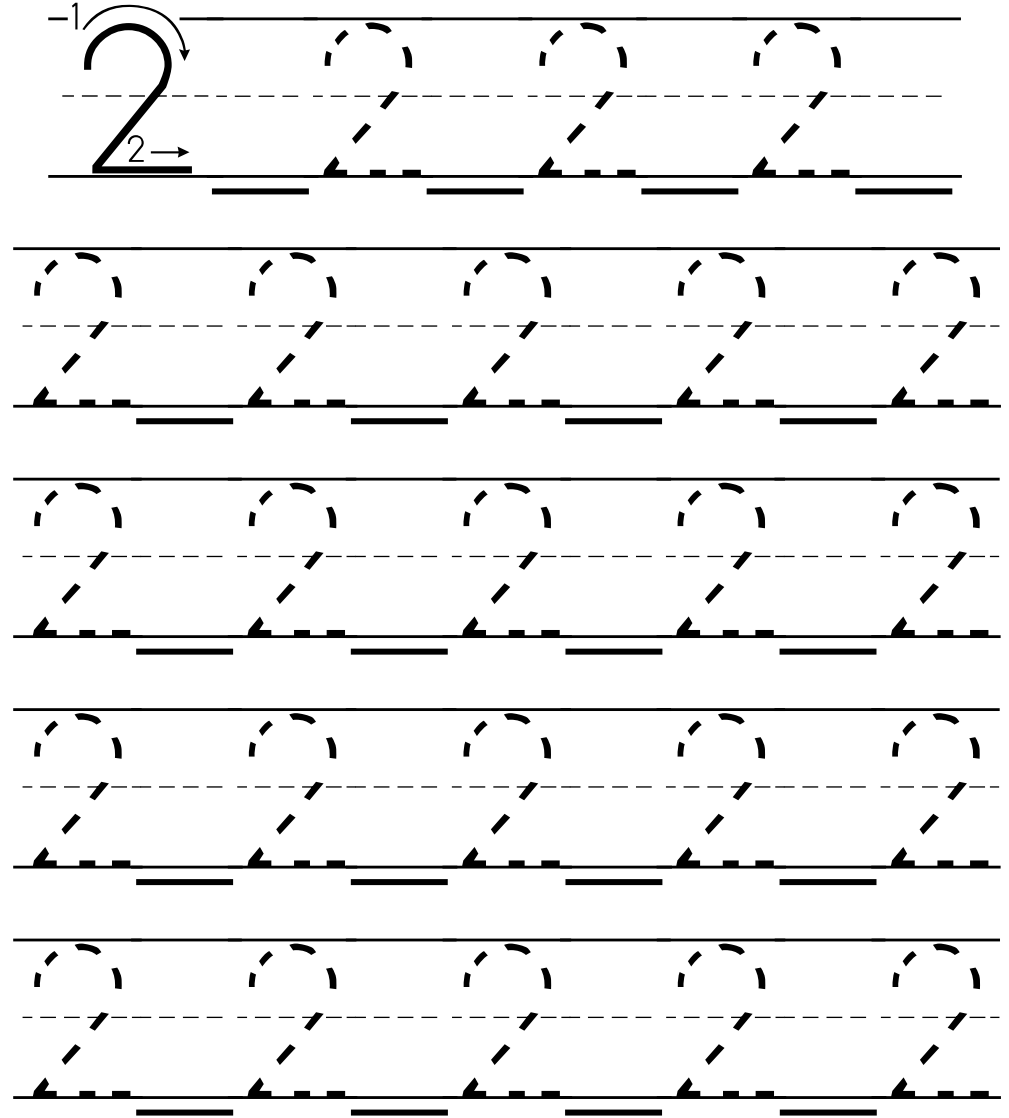

Number
one is like a
stick – a
straight
line down
that's very
quick.

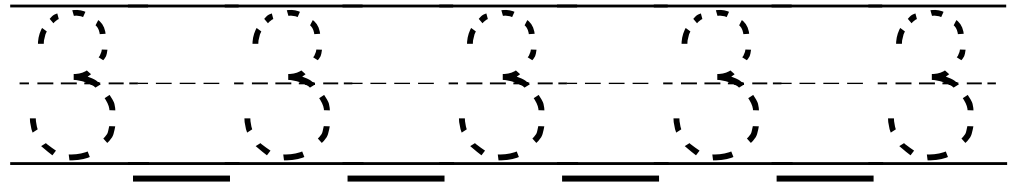

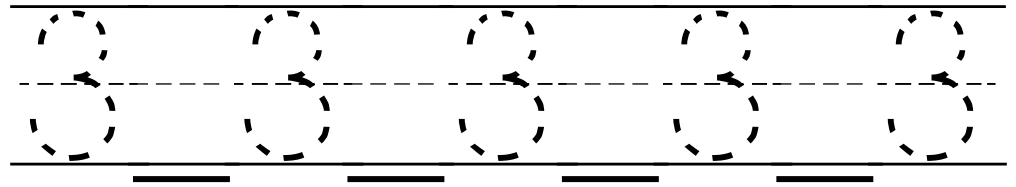

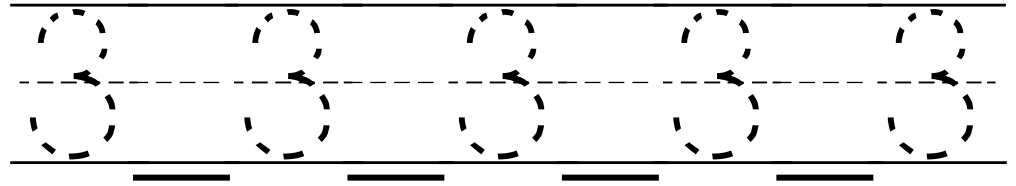

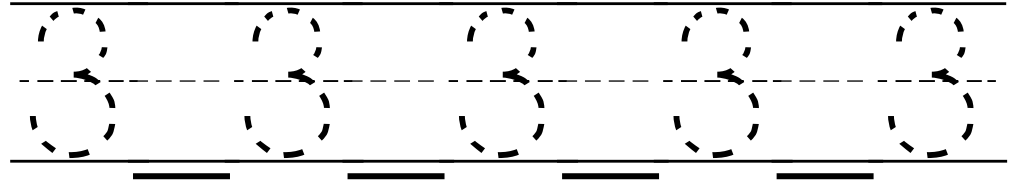

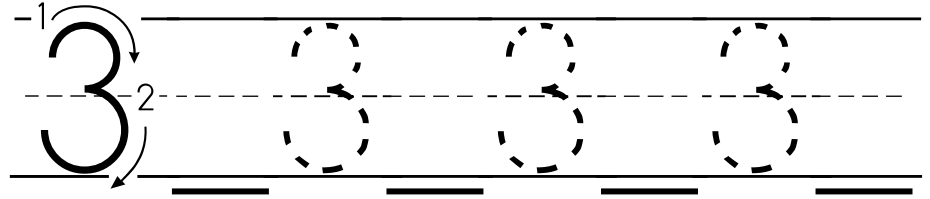

Half a
heart will
never do.
Slide to the
right to
make a
two.

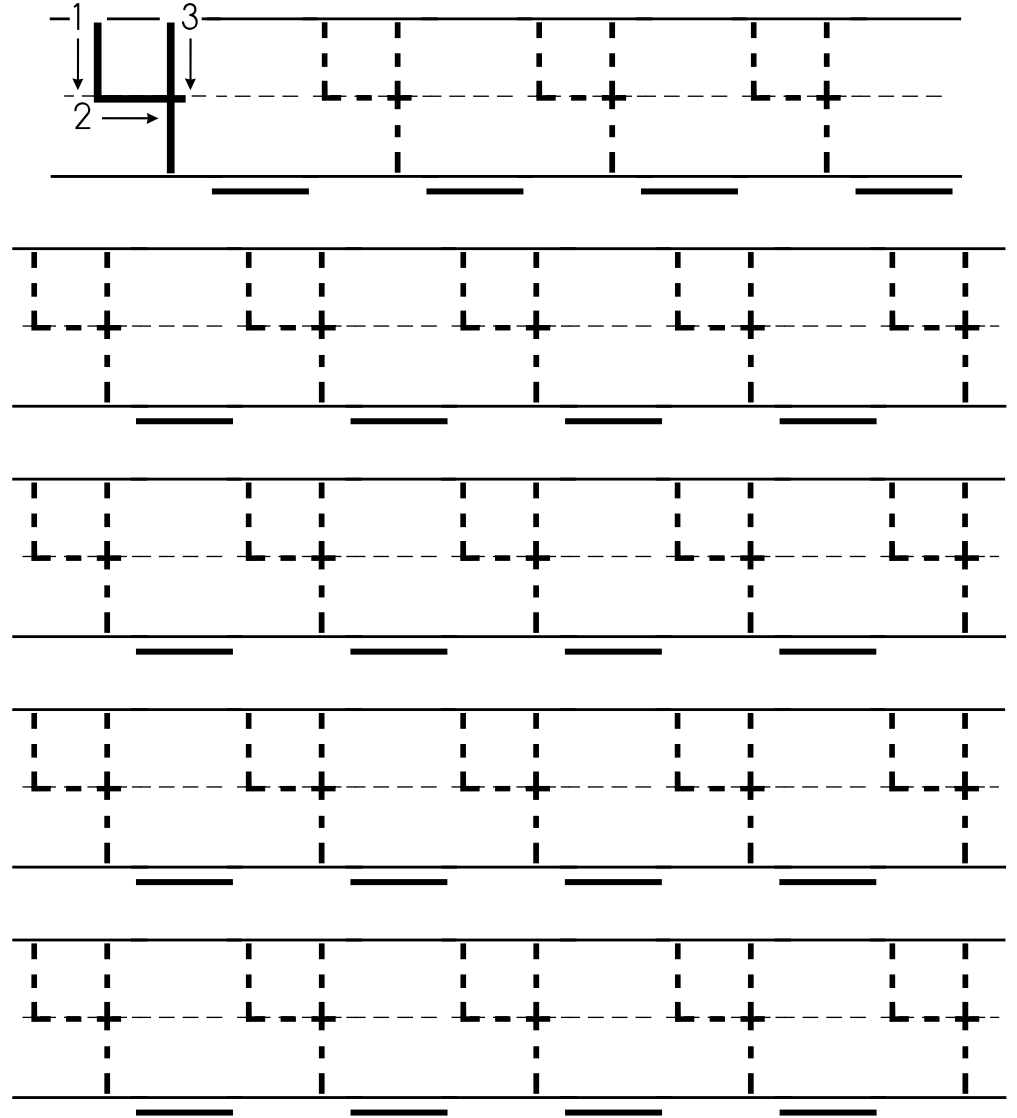

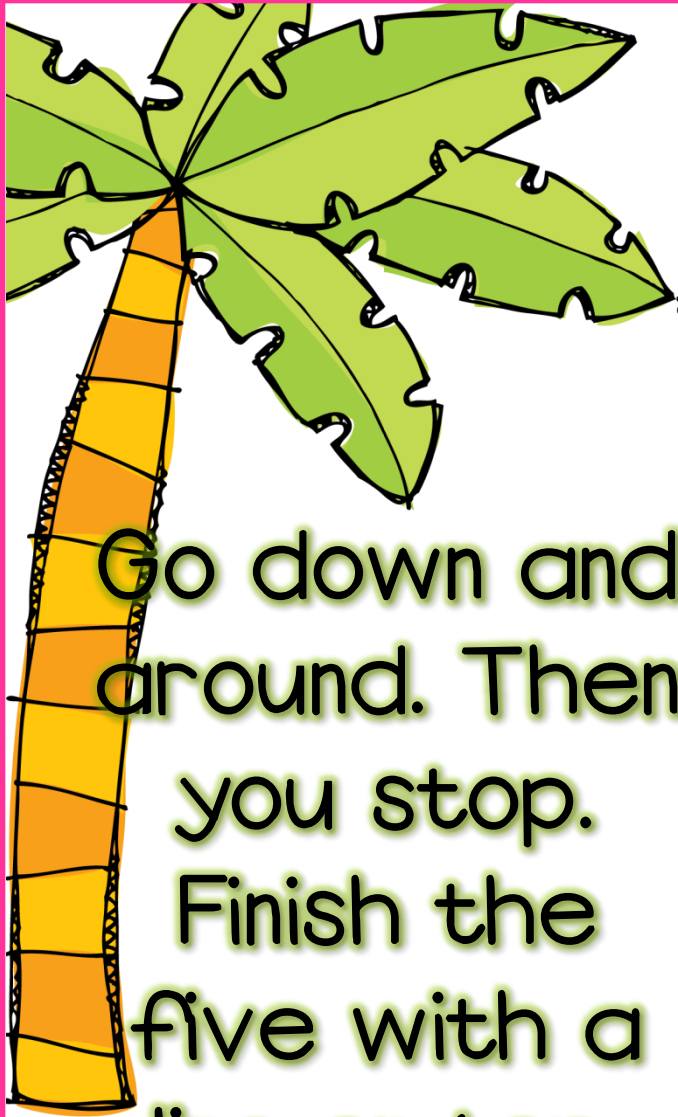

Go right
around.
What will it
be? Go
around again
to make a
three.

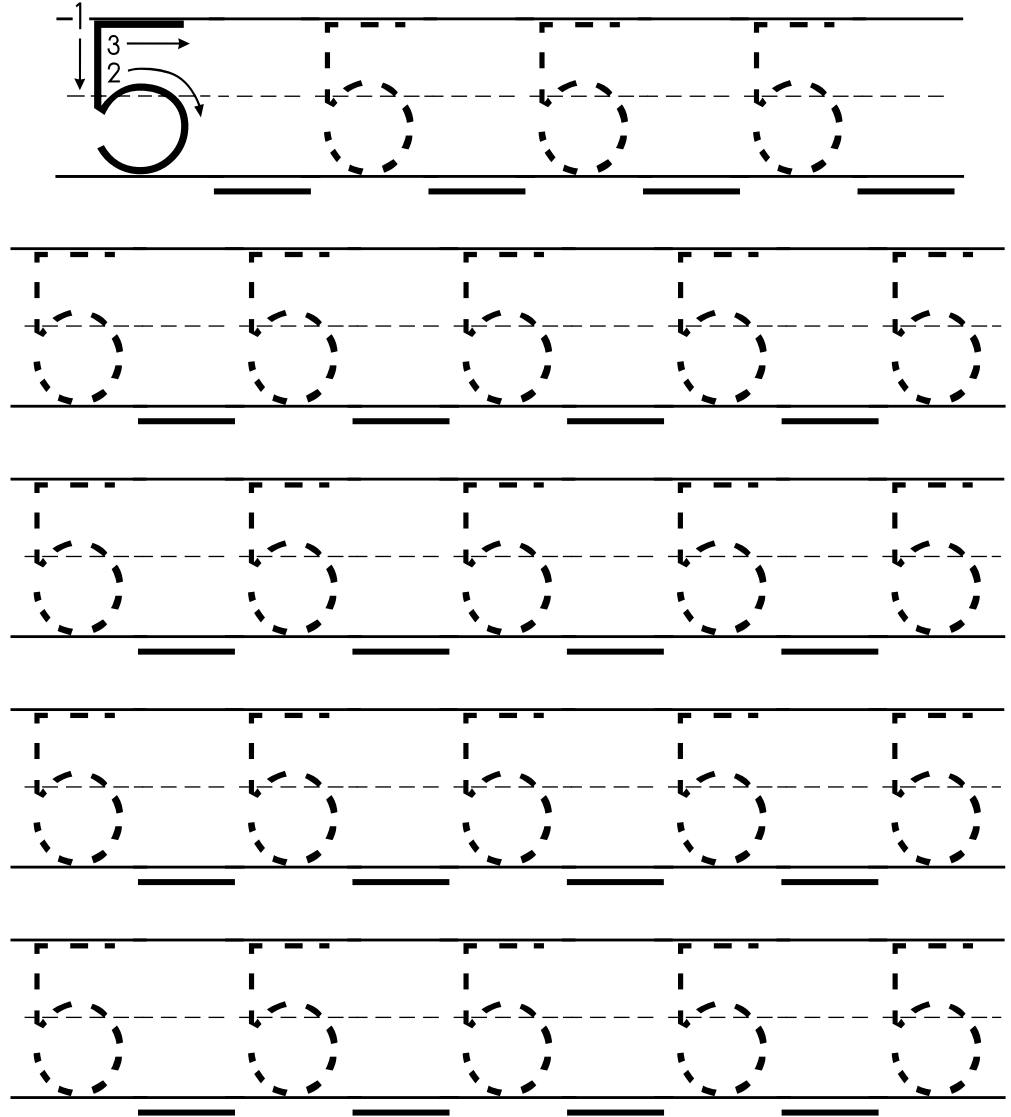

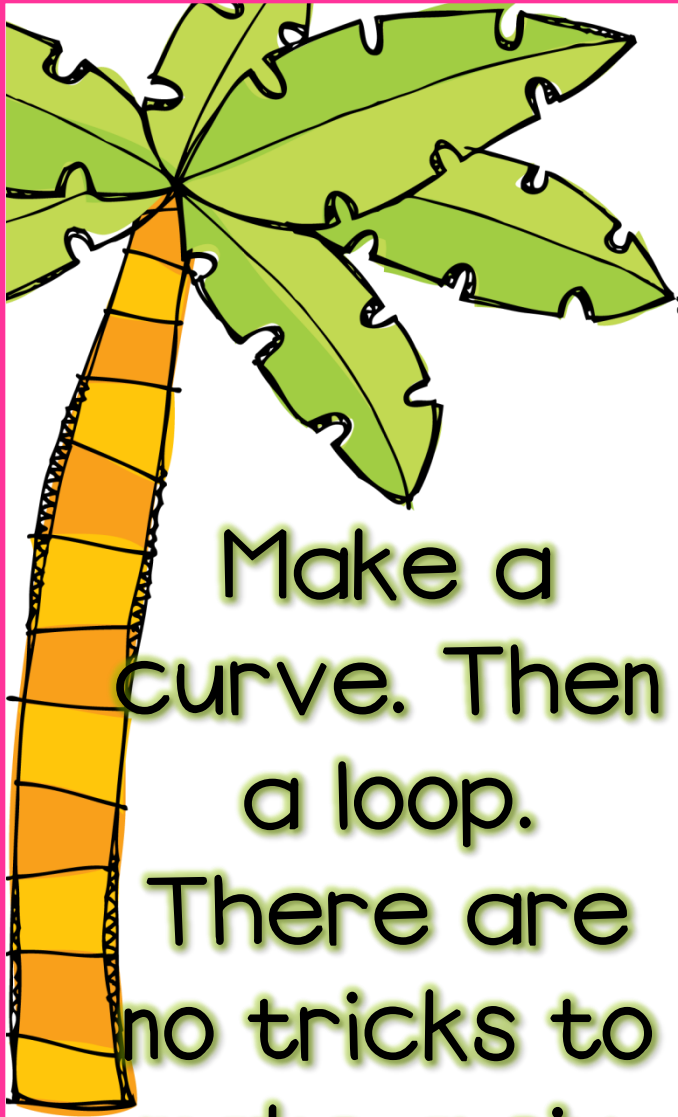

Make an L,
but wait
there's
more. Add a
stickman to
make a four.

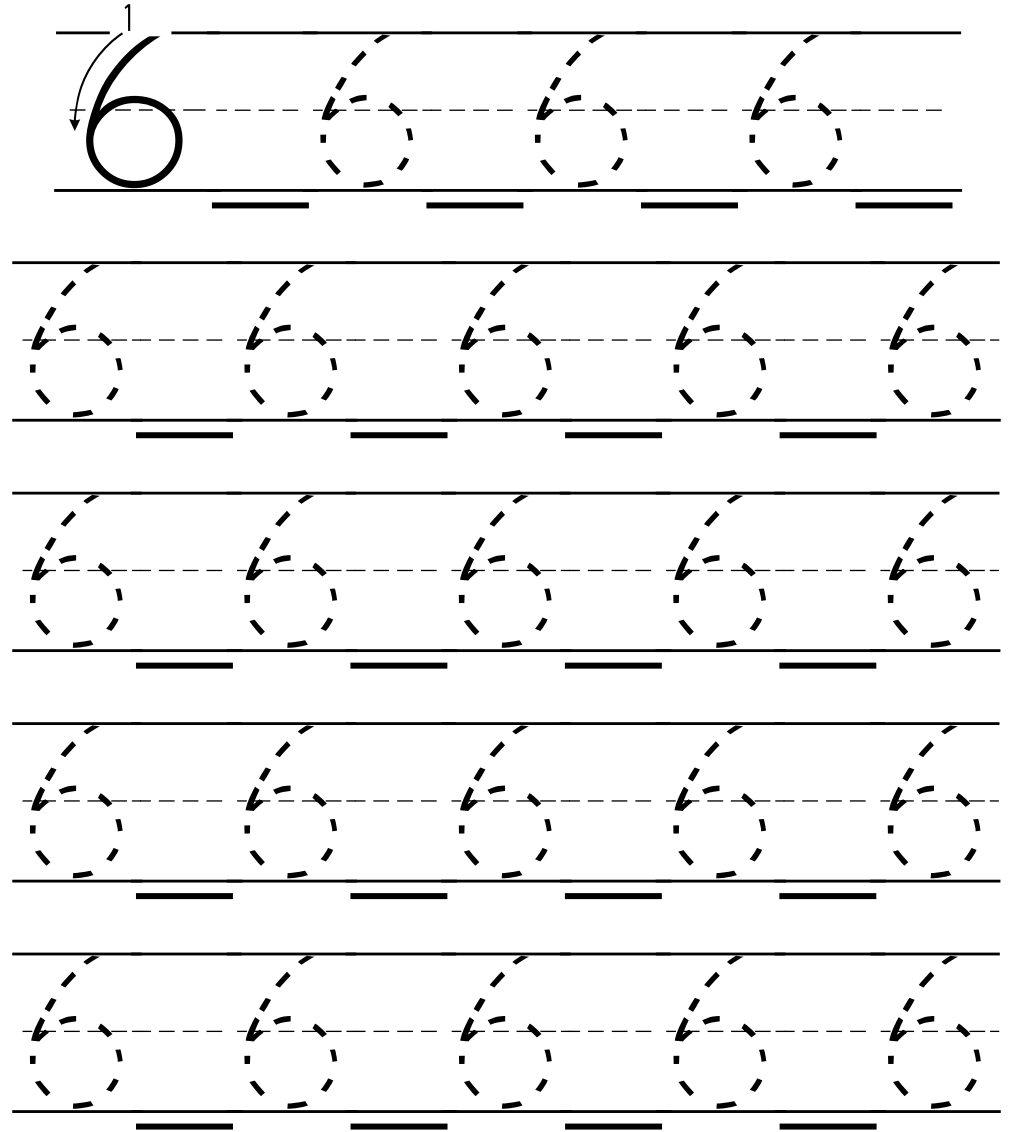

Go down and
around. Then
you stop.
Finish the
five with a
line on top.

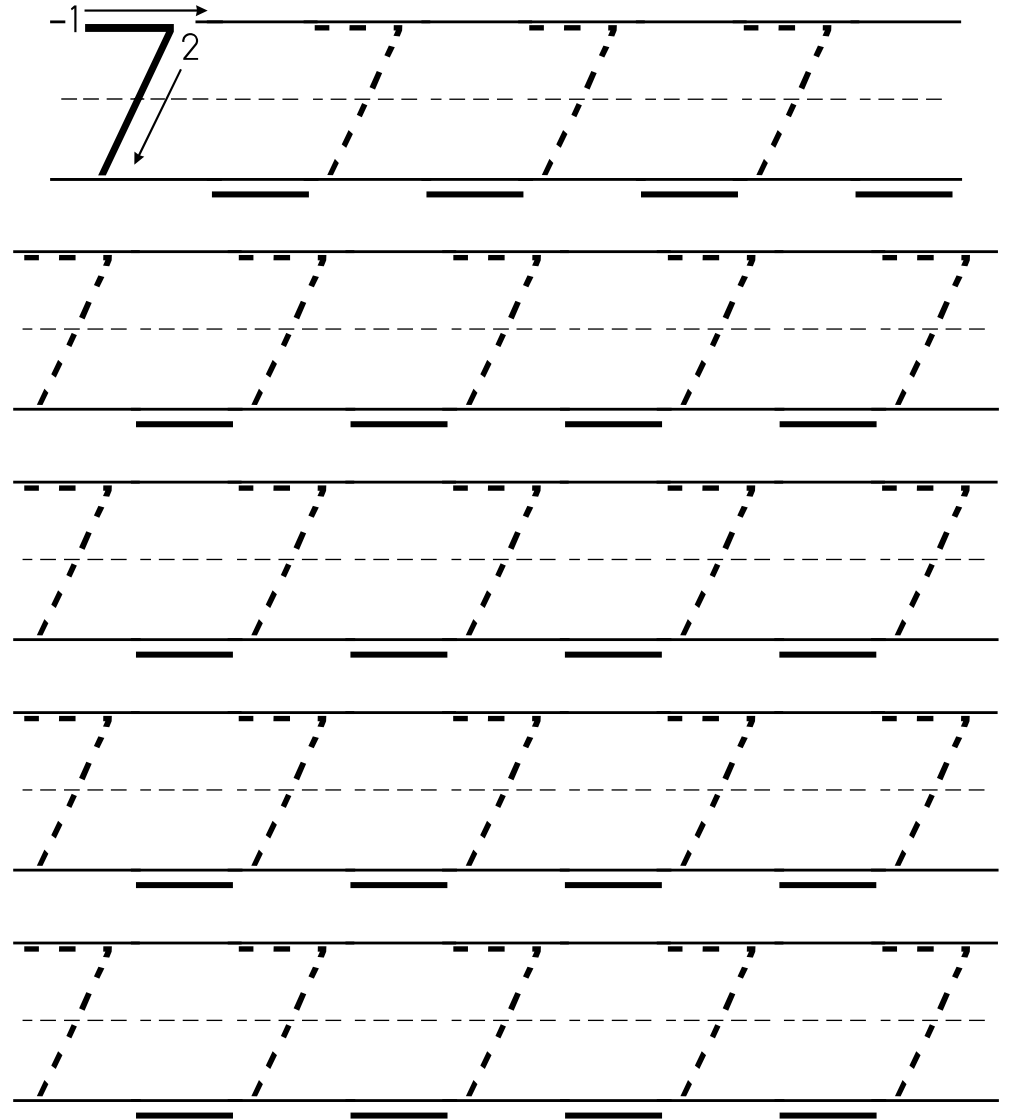

Make a
curve. Then
a loop.
There are
no tricks to
make a six.

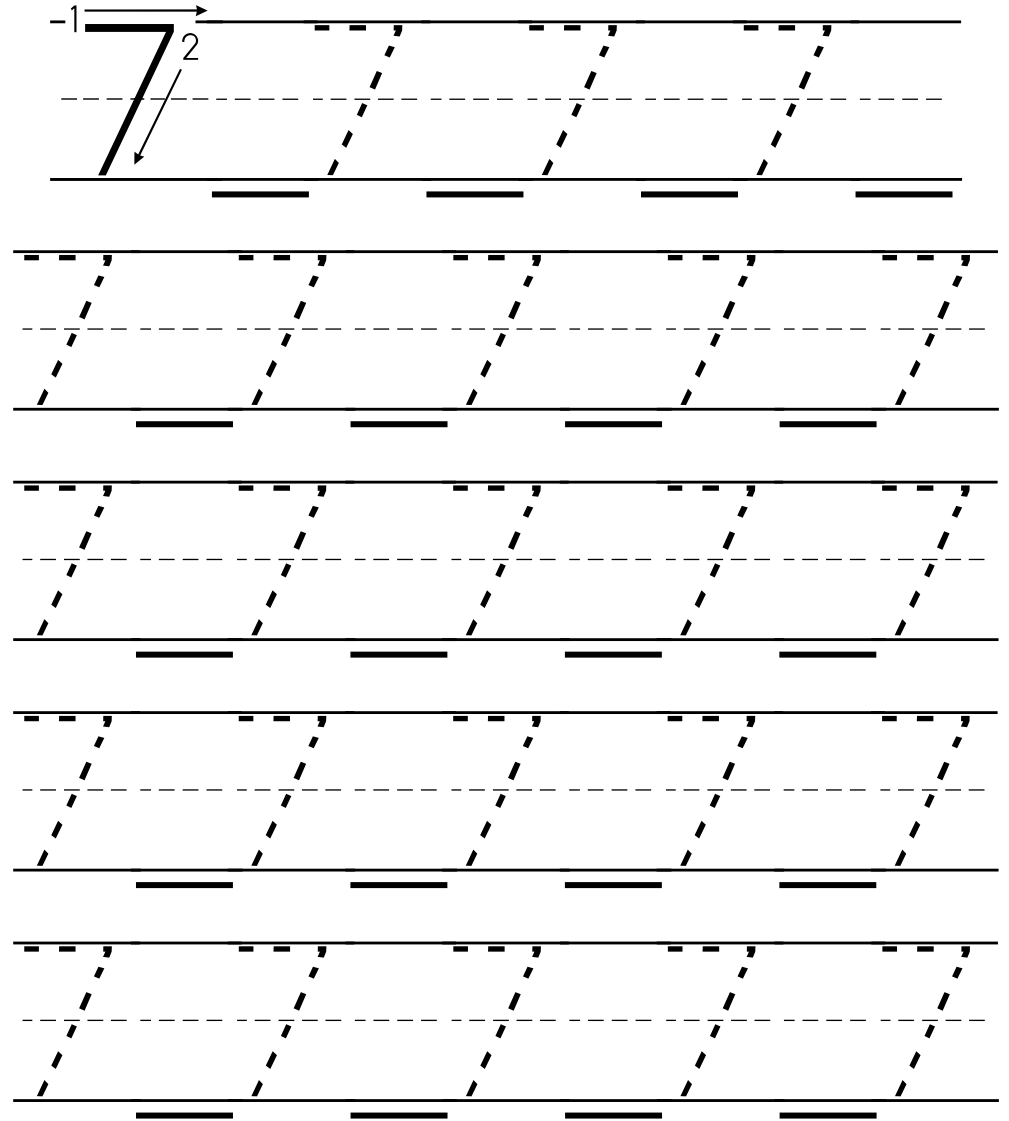

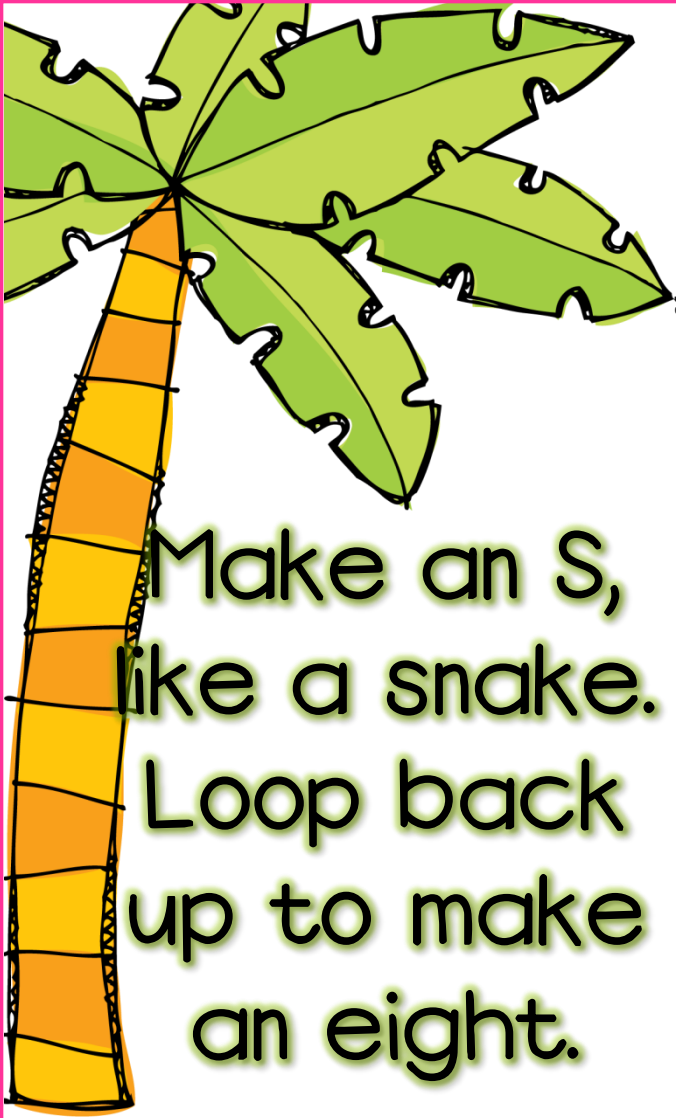

Across the
sky and
down from
heaven.
That's the
way to make
a seven.

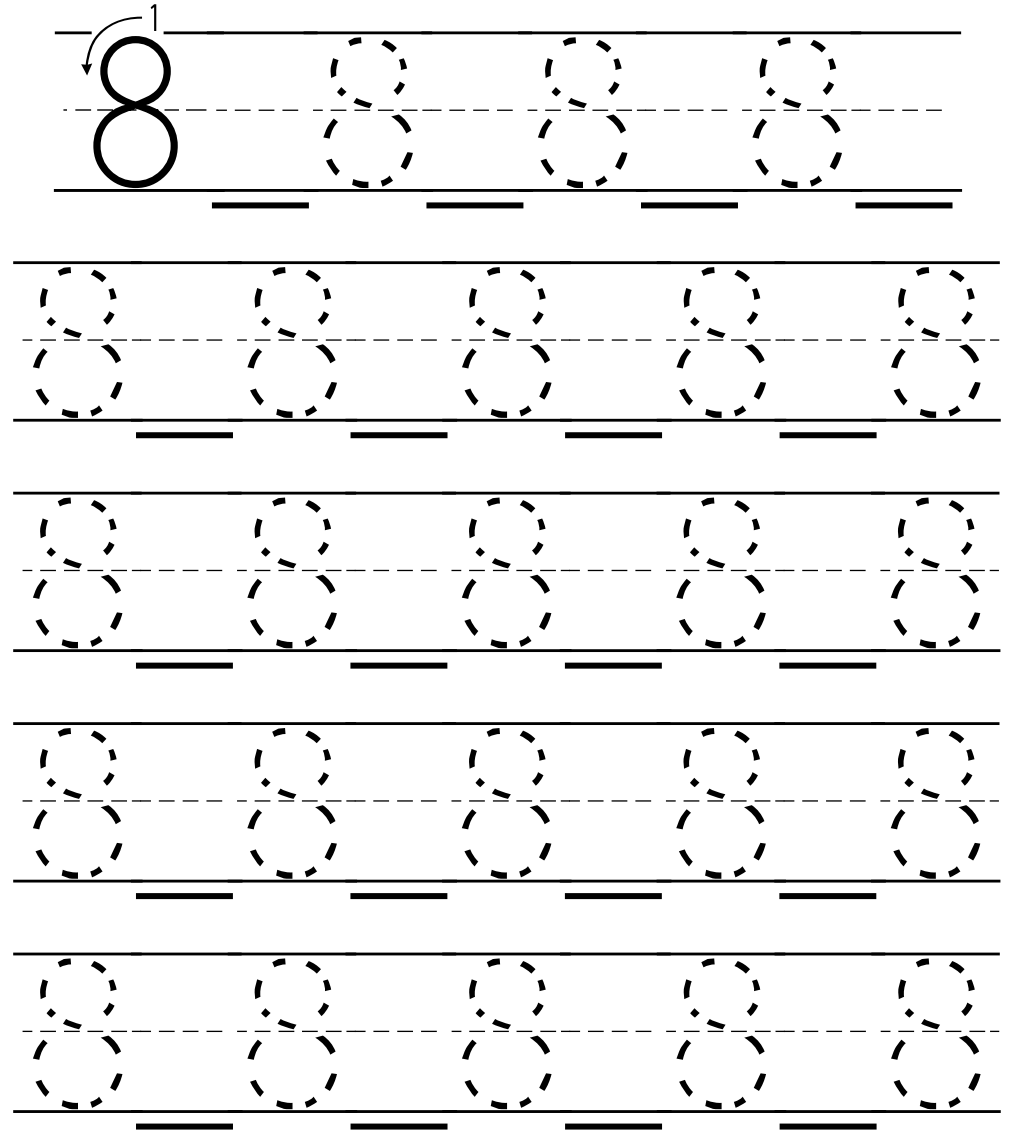

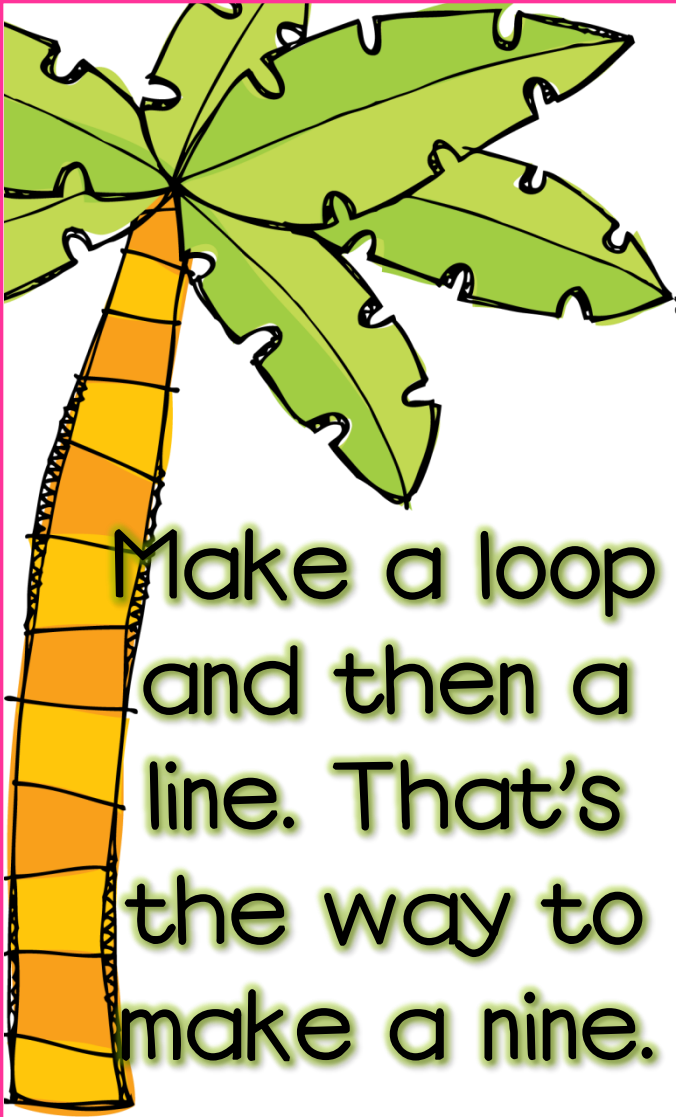

Seven, seven,
please don't
frown! Slide
to the right,
and then
slant down.

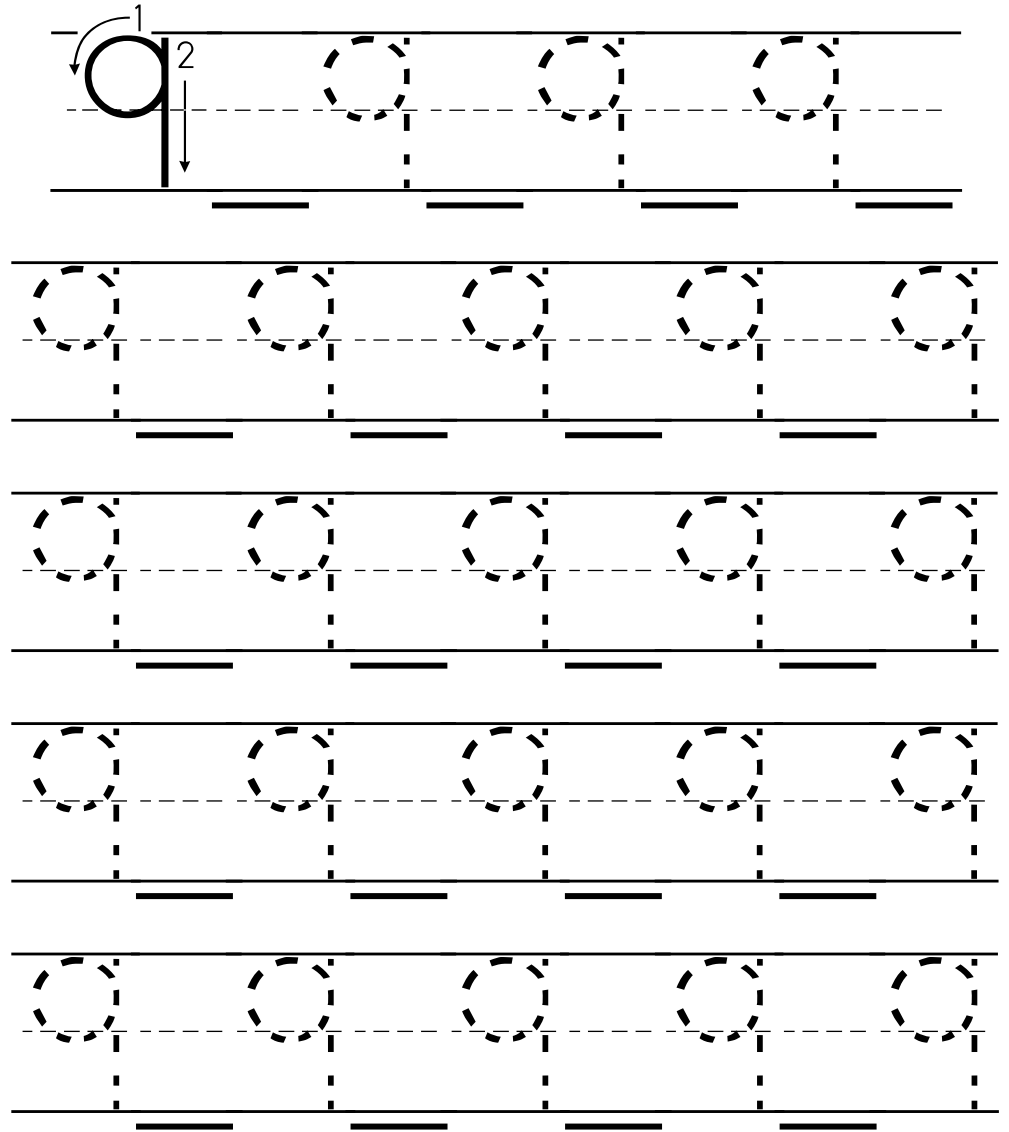

Make an S,
like a snake.
Loop back
up to make
an eight.

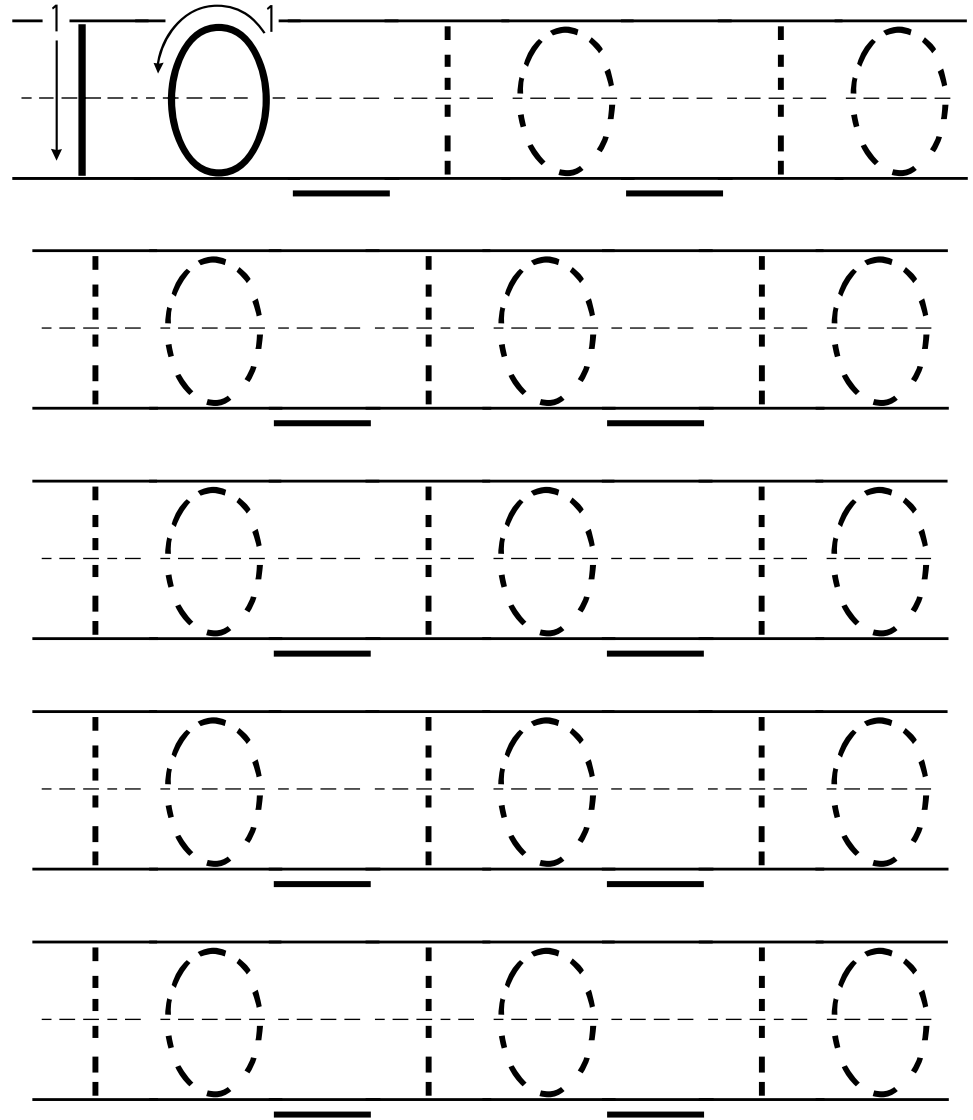

Make a loop
and then a
line. That's
the way to
make a nine.

Stickman,
stickman
you're my
friend. Add
a zero to
make a ten.
