

# An Invention Collage

Cut out pictures of your favourite inventions and glue them onto a poster.

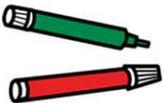

## Materials

1. magazines 

2. glue 

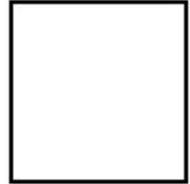

3. scissors 

4. construction paper 

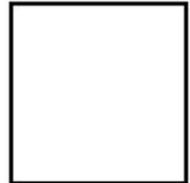

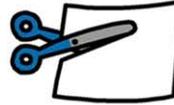

5. crayon or felt tip pen 

# Directions

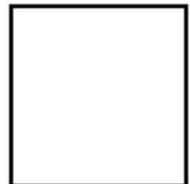

1. Look in magazines to find an invention you like or use.

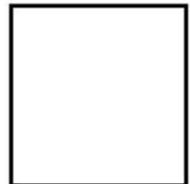

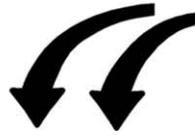

2. Use the scissors to cut it out.

3. Glue the photo to the paper.

4. Repeat this step until the paper is covered.

5. Write your name on the back.

6. Tell somebody why you selected these inventions.
