Dear Lincoln High School Family;

Welcome to the 2024-2025 school year! I am excited to embark on another year filled with collaboration, innovation, and celebrations of our collective success. As we begin this new chapter, I am confident that our dedication, passion, and commitment will pave the way for our students' success.

This year, we have many new faces among us, and I am excited to see how our new Lancers will bring fresh ideas and energy to our school. To our returning staff, I know you will extend a warm welcome and ensure that our new colleagues feel supported and part of our learning community. We are a team, and together, we will create an environment where every staff member and student feels valued, respected, and empowered.

As we embark on this journey, let's continue to prioritize data-driven instruction and formative assessments in our classrooms. By focusing on these strategies, we can ensure that we meet the needs of all learners and support every student on their path to success. Remember, our school motto, "We Care, We Learn, We Lead," should be at the heart of everything we do. Let's lead by example, showing our students that through hard work, perseverance, and teamwork, anything is possible.

I look forward to working alongside each of you as we navigate the opportunities and challenges that lie ahead. Let's make this year one of the best yet—a year where we inspire, uplift, and celebrate our students and one another.

Thank you for your dedication, and here's to a rewarding and successful school year!

Warm regards,

Ian M. Sherman
