

Make Each Part of a Plant

Use this activity to make each part of a plant. Then label the parts.

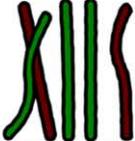

Materials

1. cardboard stock/
construction paper 

2. muffin wrappers 

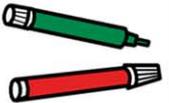

3. seeds 

4. pipe cleaners
(green and brown) 

5. clear tape 

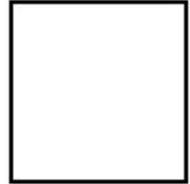

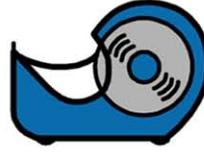

6. scissors 

7. green felt 

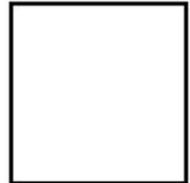

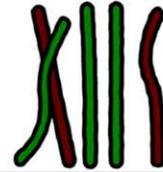

8. felt tip pens 

Directions

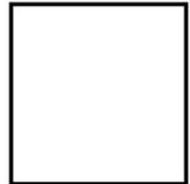

1. Tape construction paper to the bottom third of the cardboard stock.

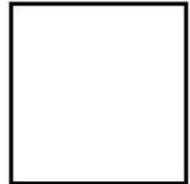

2. Tape a green pipe cleaner just above the construction paper.

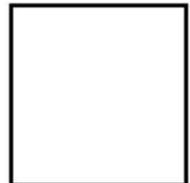

3. Tape a muffin wrapper above the green pipe cleaner.

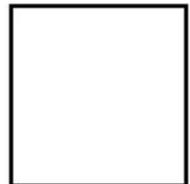

4. Tape brown pipe cleaners to the brown construction paper to look like roots.

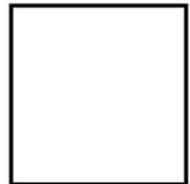

5. Tape seeds to the centre of muffin wrapper.

6. Cut leaf shapes from felt.

7. Tape leaves to the green pipe cleaner.

8. Use a felt tip pen to label the parts of the plant.
