

Seasonal Trees

Make trees to represent each of the four seasons.

Materials

1. 2 toilet paper tubes

2. cotton balls

3. card stock paper

4. scissors

5. glue

6. paint

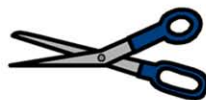

7. paintbrush

Directions

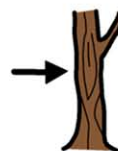

1. Cut the toilet paper tubes in half.

2. Paint each half of the tube brown for the tree trunks.

3. Glue one trunk to the bottom of each piece of cardstock.

4. Place drops of glue above the toilet paper tubes.

5. Dip the cotton balls in paint (or leave white) to represent the look of a tree in each season.

6. Use paint to add seasonal details around the tree as desired.
