

Students: Accessing Nearpod

Yonkers Public Schools

Student Access to Nearpod

To access a Nearpod lesson assigned by your teacher, you will need a Lesson Code or Lesson Link. Your teacher will share this with you through email or Microsoft Teams.

Lesson Link

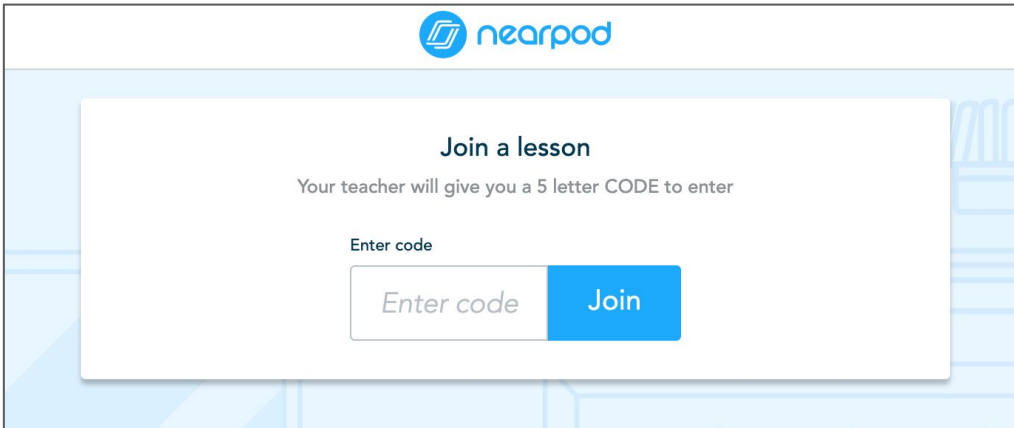

If a teacher shares with you a direct link to your lesson, you can join the lesson from there.

You'll then be able to complete your assignment!

Lesson Code

If a teacher shares with you 5 letter code, you must use the code to join your lesson.

1. Navigate to join.nearpod.com.
2. Enter your lesson code.
3. Enter your name and then complete your assignment!

The screenshot displays the Nearpod website's 'Join a lesson' page. At the top, the Nearpod logo is visible. The main heading is 'Join a lesson', followed by the instruction 'Your teacher will give you a 5 letter CODE to enter'. Below this, there is a text input field labeled 'Enter code' with the placeholder text 'Enter code'. To the right of the input field is a blue 'Join' button.
