Dear Lincoln High School Families,

As we embark on the journey into the 2023-2024 academic year, it brings me great joy to extend my heartfelt greetings to each and every one of you. My name is Ian Sherman and I am incredibly honored to serve as the principal of this exceptional school for the 11th consecutive year. Our school community has grown and thrived over the years, and I have no doubt that the coming year will be one of the most remarkable yet.

To our new students, I extend a special welcome. We are delighted to have you join our family, and we assure you that you have become a part of a supportive and nurturing environment. For our returning students, welcome back! Your dedication to learning and your contributions to our school are truly appreciated. I look forward to seeing you continue to shine.

Lincoln High School has always been committed to academic excellence, fostering creativity, and promoting a holistic approach to education. As a team, our dedicated educators and staff strive to provide an enriching and inclusive learning experience, one that will prepare you for the challenges and opportunities that lie ahead. We believe in nurturing not only your academic abilities but also your character, compassion, and resilience.

As you step into our halls, remember that this is a place where diversity is celebrated, ideas are encouraged, and individuality is cherished. We value the unique strengths that each student brings to our community, and it is through these diverse perspectives that we grow stronger together.

Throughout the school year, you will have the chance to engage in a wide range of extracurricular activities, clubs, and sports, giving you the opportunity to explore your interests and passions beyond the classroom. I encourage you to take advantage of these opportunities, as they will undoubtedly contribute to your personal growth and enhance your high school experience.

I want to remind you that we are all here to support you, academically and emotionally. If you ever feel overwhelmed or need guidance, don't hesitate to reach out to our dedicated counseling team, teachers, or any member of the staff. We are here to listen and help you succeed.

Together, let us make the 2023-2024 academic year a memorable one, filled with accomplishments, friendships, and personal growth. As the school principal, I am committed to ensuring that Lincoln High School remains a place of inspiration, learning, and community. With your collaboration and enthusiasm, I have no doubt that we will achieve great things together.

Attached is a helpful sheet to prepare you and your child for the opening of school. Once again, welcome to the 2023-2024 school year. Let's make this year extraordinary!
